RELINQUISHMENT OF EASEMENT RIGHTS

Parties, the State of Oregon, by and through its Parks and Recreation Department (the "Department") and Melvin L. Stewart (the "Licensee").

RECITALS

- A. The Department is the record owner of real property, known as the O C & E Woods Line State Trail in Klamath and Lake Counties, State of Oregon, (the "Property").
- B. The Department received the Property from the Oregon, California and Eastern Railway Company ("OC & E"), a Nevada Corporation and a subsidiary of Weyerhaeuser Company, subject to an interim Trail Use and Rail Banking Agreement with attachments including two ICC orders (collectively, "the OC & E Agreement") dated July 9, 1992, and recorded July 13, 1992 in Klamath County Real Property Records, Volume 92 beginning at page 15208. In the OC & E Agreement, OC&E "banked" with the Department its right of way, in a line of railroad area from Klamath Falls to Bly, Oregon, until such time as the right of way may again be needed to construct, operate and maintain future railway tracts and facilities, and OC & E and Department agreed to make the right of way available in the interim to the public as a recreational trail (the "Trail"), all as

contemplated and authorized by Section 8(d) of the National Trails System Act, 16 U.S.C § 1247(d), 49 USC § 10906 and 49 C.F.R. § 1152.29.

C. The Department and Licensee entered into an agreement pertaining to the use of the OC & E Woods Line State Trail.

D. Licensee is the owner of the dominant interest in the twelve (12) foot wide easement granted by OC & E dated February 4, 1976 for use as a private roadway.

E. As consideration for the agreement pertaining to the use of the OC & E Woods Line State Trail, Licensee agreed to relinquish the easement rights as set forth in that agreement.

AGREEMENT

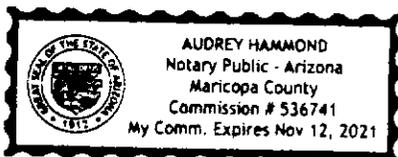

For valuable consideration, Licensee relinquishes that portion of the access easement granted by OC & E dated February 4, 1976 described herein as Exhibit A and depicted as Exhibit B.

DATED this 11th day of December, 2019.

Melvin L. Stewart
