Together with the right of ingress and egress for Grantee, its contractors, or agents, to the right of way from adjacent lands of Grantor for all activities in connection with the purposes for which this easement has been granted; and together with the present and (without payment therefor) the future right to keep the right of way clear of all brush, trees, timber, structures, buildings and other hazards which might endanger Grantee's facilities or impede Grantee's activities.

At no time shall Grantor conduct or permit any ground penetrating activity or excavation in the right of way without the express written consent of the Grantee. Subject to the foregoing limitations, the right of way may be used for other purposes not inconsistent, as determined by the Grantee, with the purposes for which this easement has been granted.
