The true and actual consideration for this easement is in kind as described in Agreement between the parties dated of even date herewith, the terms of which Agreement are hereby incorporated.

This grant is intended to exclude other below surface installations. Grantee and its contractors, subcontractors, agents, or employees shall have the right to enter and occupy the easement for the purpose of constructing, operating, and maintaining the Public Utility, including inspection, repair, replacement, removal, or renovation of the Public Utility.

Grantors agree not to plant any tree, shrub, or plant within the Public Utility easement, nor, build any structure or place any fence in the easement without first obtaining written permission from Grantee. Balm, poplar, locust, cottonwood or willow trees should not be planted near the Public Utility easement. Except as otherwise described in this agreement, it is understood that Grantee may remove any physical obstructions including buildings, fences, trees, or shrubbery, and abate any use of the easement if Grantee finds that the physical obstruction or use will interfere with the Public Utility or Grantee's easement rights granted above, without recompense to the Grantors.

Grantors and Grantee intend that this easement bind Grantors, their heirs, successors and assigns. This easement will not be considered abandoned until Grantee has declared the easement abandoned and no longer in use by Grantee, and releases this easement in a duly executed and recorded Release of Easement.

In addition to all other remedies allowed by law, the parties, its successors and assigns, shall have the right to seek injunctive relief for the enforcement of the terms and conditions of this easement. If either party is required to bring suit or action to enforce these easement terms, the prevailing party shall be entitled to recover such sums as the court may adjudge reasonable as attorney fees and costs in such suit or action, or upon appeal.
