All capitalized terms used in this Supplemental Declaration and not otherwise defined herein shall have the meanings given to such terms in Article 1 of the Master Declaration.

C. The Lots are located immediately adjacent to each other and Owner wishes to consolidate the Lots into a single legal lot (the "**Lot Consolidation**"). Section 3.8 of the Master Declaration allows an Owner to consolidate Units with the prior written approval of Declarant during the Development Period, and thereafter with the prior written approval of the Design Review Committee. Section 3.8 of the Master Declaration further provides that once the

consolidation is approved, it must be effected by the Recording of a declaration in the official records of Klamath County, Oregon stating that the affected Units are consolidated, which declaration must be executed by the Owner of the affected Units and the Association.

E. Owner and the Association desire to effect and confirm the Lot Consolidation and the conversion of the Lots from two (2) separate Units into a single Unit pursuant to the terms of the Master Declaration by executing and recording this Supplemental Declaration, and Declarant desires to approve the same pursuant to Declarant's authority during the Development Period.

Upon filing the Lot Consolidation Survey, the Lots shall constitute a single Unit for all purposes of the Master Declaration, including without limitation, voting rights and allocation of assessments. The consolidated Unit may not thereafter be partitioned nor may the consolidation be revoked, except as provided in Section 3.7 of the Master Declaration.

2. Declarant Approval. Declarant hereby approves the Lot Consolidation and the conversion of the Lots from two (2) separate Units into a single Unit under the Master Declaration in accordance with the terms of this Supplemental Declaration.
