AMENDED ACCESS EASEMENT

PARTIES:

DAREN HENDERSON, ASHLEY CARY AND ERIN BORNSTEIN (collectively referred to herein as "Henderson")

ROBERT BRIAN DE HARRPORT ("De Harrport")

RECITALS:

A. De Harrport is the fee owner of real property located in Klamath County, Oregon commonly known as Tax Lot R-2407-018A0-01700-000 and 18814 Earl Lane, Crescent Lake, Oregon 97733 ("De Harrport Property"), and more accurately described on attached Exhibit A. Henderson is the owner of real property located in Klamath County, Oregon, commonly known as Tax Lot R-2407-018A0-1600-00 and 18922 Earl Lane, Crescent Lake, Oregon 97733 ("Henderson Property") and more accurately described on attached Exhibit B.

B. Henderson sold the De Harrport Property to De Harrport. Both De Harrport Property and the Henderson Property were previously owned by the Henderson Family for decades. During that time the Hendersons used a portion of the De Harrport Property as a private circular driveway for the Henderson Property and that private driveway connects to and provides access from Earl Lane to the Henderson Property.

C. De Harrport previously granted a perpetual exclusive easement over the De Harrport Property for the exclusive use and benefit of the Henderson Property ("Access Easement"). The Access Easement is generally depicted on the satellite image attached to this Amended Access Easement as Exhibit C. The satellite image shows the easement via a blue line following the description set forth in 3., below. See copy of the Access Easement recorded in Klamath County, Oregon as Doc #2020-001795 attached as Exhibit D.

D. Henderson and DeHarrport desire to amend the Access Easement to provide more precise dimensions for the actual easement as provided for in 1., of the Access Easement. Henderson and De Harrport agree that this Amended Access Easement shall serve as the new perpetual exclusive easement as mentioned in 1., of the Access Easement.

AGREEMENTS:

1. **EASEMENT.** De Harpport grants to Henderson a perpetual exclusive easement located on a portion of the De Harpport Property as set forth on Exhibit C and as described in 3., below. De Harpport grants this easement with the acknowledgement that the easement is not the only means of access to the Henderson Property.

2. **TYPE OF EASEMENT.** This easement is appurtenant to the De Harpport Property and the Henderson Property. This easement shall run with the land, shall be binding on, and shall inure to the benefit of De Harpport and Henderson, and their successors and assigns. De Harpport understands that a future division of the De Harpport Property will extend the benefits of the easement to the created parcels.

3. **DESCRIPTION OF EASEMENT.** As one of the pre-existing means of access to the Henderson Property the easement is more specifically described as follows:

From the Henderson/DeHarpport property corner pin located west of and south of Earl Lane—33' east of this property corner we agree to establish the western edge of driveway easement. Following the Northern DeHarpport property line 12' from the western edge or 45' from said property corner shall establish the eastern edge of this driveway easement. The driveway from this above location shall slope slightly downhill towards the south with a slight curve towards the west. This easement shall be 150' long x 12' wide through the DeHarpport property. The eastern edge of this easement shall end where the Henderson/ DeHarpport western property line intersects said easement driveway. This is located approximately 56' from the southern DeHarpport/ Cory Hatfield/ Henderson property corner. (Note--which is located inside of the Hatfield property woodshed). This easement shall be 12' wide as well from the spot located along this property line from the DeHarpport/ Hatfield/Henderson property corner.

4. **USE OF THE EASEMENT.** Henderson shall have the right to use, occupy and maintain the easement as a means of access (ingress and egress) to and from the Henderson Property, for all purposes, and for the placement of utilities, including telecommunication lines. No party may obstruct or interfere with the easement. Henderson assumes all risk out of their use of the easement provided, however, that De Harpport is not released from liability for his negligent or wrongful acts or acts of his tenants, agents or invitees. Henderson shall have no restrictions on use of the easement.

5. **MAINTENANCE OF THE EASEMENT.** Henderson shall have responsibility for ongoing maintenance of the easement unless De Harpport causes damage in excess of normal wear and tear, in which case the responsible party shall promptly repair such damage and restore the easement to its condition that immediately preceded the damage.

6. TAXES. De Harrport shall be responsible for paying all taxes for the De Harrport Property including the portion of the easement.

7. BINDING EFFECT. All of the covenants, agreements, conditions and terms contained in this document shall be binding upon, apply and inure to the benefit of, the successors and assigns of De Harrport and Henderson.

8. REMEDIES. The applicable law for the purpose of interpretation of this easement, or the enforcement of any rights or obligations hereunder, are the laws of the State of Oregon. If any party fails to perform any of such party's obligations under this easement after being notified of non-performance and given a reasonable opportunity to cure, the other party or parties shall be entitled to require such performance by suit for specific performance or, where appropriate, through injunctive relief. Such remedies shall be in addition to any other remedies allowed by law, provided that no party may terminate the easement based on the non-performance of the other party or parties.

9. LEGAL PROCEEDINGS. If any proceeding is commenced for the purpose of interpreting or enforcing any provision of this agreement, the prevailing party in such proceeding shall be entitled to recover a reasonable attorney's fee in such proceeding, and on any appeal thereof, in addition to the costs and disbursements allowed by law.

10. INTEGRATION. This agreement constitutes a final and complete statement of the agreement between the parties and fully supersedes all prior agreements or negotiations, written or oral. The parties acknowledge that there are no representations or warranties that are not expressly stated herein.

11. WAIVER. No waiver of any right arising out of a breach of any covenant, terms or condition of this agreement shall be a waiver of any rights arising out of any other or subsequent breach of the same or other covenant, term or condition, or a waiver of the covenant, term or condition itself.

12. WARRANTY OF AUTHORITY. Each person executing and delivering this easement on behalf of a party represents and warrants that such person is duly authorized to do so and that the execution and delivery of this easement are the lawful and voluntary acts of the party on whose behalf this easement is executed.

13. COUNTERPARTS. This easement may be executed in several counterparts, each of which is deemed to be an original, and all such counterparts constitute one and the same document.
