GRANT OF EASMENT
AND
WELL MAINTENANCE AGREEMENT

- A. Grantors are the owners of the real property in Klamath County described as Parcel 1 of Minor Land Partition 38-85, according to the official plat thereof on file in the office of the county clerk of Klamath County, Oregon, (the "Watkins Property" 1).
- B. Grantees are the owners of property in Klamath County described as Parcels 1 and 2 of Minor Land Partition 38-85 ("Watkins Property 2") and property in Klamath County described as Parcel 2 of Land Partition 38-85 (the "Dunlap Property").
- C. There is a domestic water well and distribution lines located on the above described Watkins Property 1. It is the intent of the parties hereto that said properties shall have equal rights to withdraw water from said well for use on the Watkins Property 1, Watkins Property 2, and the Dunlap Property; and that the owners of each said property shall pay one- third of the cost of maintaining the said well, distribution lines, well casing, pump, pressure tank, electrical system, and all other costs associated with the maintenance and repair of the well system, (the Well), excluding the personal lines and systems and systems to the individual properties.

AGREEMENT

THEREFORE, for valuable consideration, receipt of which is hereby acknowledged and subject to the considerations set forth in this instrument:

Tru-line
Returned at Counter

- 1) Grantors do hereby grant, sell and convey to Grantees an undivided one-third ownership of the Well and convey to Grantees the right to take water from the Well and to convey such water from the well to Grantees above-described property by pipe for domestic use.
1. GRANT OF EASEMENT AND WELL MAINTENANCE AGREEMENT
 - 2) Grantors hereby further grant to Grantees an easement across "Watkins 2 property to the well for the maintenance and repair of the Grantee's water delivery system. Said easement shall be perpetual and run with the ownership of the properties described above.
It is mutually covenanted and agreed by the parties on behalf of themselves and their respective heir, successors, grantees and assigns as follow:
 1. Grantee, its heirs, grantees and assigns, shall be solely responsible for the maintenance, repair and replacement of the pump, pipe, and other equipment. Grantees shall pay one-third of all future costs of maintenance, repair, replacement and improvement of the well and well casing serving all three properties described above.
 2. Grantors, their successors, grantees and assigns, shall be solely responsible for the maintenance, repair and replacement of the pump, pipes and equipment which solely serve its said property and shall pay one-third of all future costs of maintenance, repair, replacement and improvement of the well and well casing serving all three properties described above.
 3. The parties' interest in the water from said well is limited to supplying water for domestic use on the above described properties.
 4. In the event that any repair or replacement of the Well or well casing or one or more pipes in the Well, the parties expressly agree to cooperate fully in allowing said repair or replacement to be made as soon as the necessary equipment, equipment operator and supplies can be obtained to make such repair or replacement. The parties further agree to pay for or arrange for the payment their respective share of the cost of said repair or replacement as soon as is reasonably possible.
 5. Notice. If, in the opinion of any party, repair and /or replacement of the pump, wellhead, downhole piping, manifold and /or shared transmission line is necessary, written notice shall be provided to the other parties, in writing, describing the maintenance, repair or replacement to be undertaken and the cost thereof, if known. If the party receiving the notice does not object, in writing, within twenty days of receipt of the notice, then the cost of said repair and or replacement shall be divided between the parties.
 6. **Fulfillment of Parties Obligations.** In the event, any party fails to fulfill their obligations under this Agreement, the other parties may perform on behalf of the declining party and advance funds for the account of the defaulting party. Any funds so advanced will be a debt of the defaulting party due to the advancing party, bearing interest at the rate of 9% per annum, and shall become immediately due and payable, with interest.
 7. **Rights to run with the land.** The rights herein shall run with the land and will automatically transfer with the sale of the party's real property. Neither this agreement or any rights, interests, or obligations under this Agreement may be assigned to any party without the written consent of the other parties. No further extension of rights to third parties to access or use the Well shall be made without the expressed written consent of the other parties.

8. Consideration. Electrical charges for the operation of the Well are currently paid by the Dunlap property. The other parties will pay \$10.00 per month to reimburse the Dunlap property for electrical cost to pump water for the properties. The parties agree that such payment is sufficient to pay for the electrical cost incurred on the shared pump to the Well. The parties shall renegotiate the monthly payment five (5) years from the date of recordation of this agreement to ensure that such compensation is sufficient.
