RECITALS

A. The Sharps own that certain real property situated in Klamath County, Oregon, more particularly described in the attached Exhibit A (hereafter referred to as the "Sharps Parcel").

B. Bentsen owns that certain real property situated in Klamath County, Oregon, more particularly described in the attached Exhibit B (hereafter referred to as the "Bentsen Parcel").

NOW, THEREFORE, in consideration of the foregoing and the terms and conditions hereinafter set forth:

1. In consideration for the payment of the sum of TWO THOUSAND FIVE HUNDRED DOLLARS (\$2,500.00), receipt of which is hereby acknowledged, and for other valuable consideration and in consideration of the mutual promises contained herein, The Sharps grant and convey to Bentsen, as the owner of the Bentsen Parcel, a perpetual, nonexclusive easement across, over and under the Sharps Parcel which consists of an existing roadway, as shown on the attached Exhibit C (the "Easement Area"), for the purpose of providing agricultural, recreational and/or single-family residential ingress and egress access to the Bentsen Parcel by Bentsen and her invitees, guests, agents and independent contractors and for the purpose of maintaining and repairing existing utility services incidental thereto within the Easement Area. This easement shall be used for access to the Bentsen Parcel by the owner thereof, and her invitees, guests, agents and independent contractors only for the purposes described herein. The easement will not provide access to the public for any purpose and will not be deemed a gift or dedication of any portion of the Sharps Parcel or the Easement Area to the general public for any public purpose whatsoever, it being the parties' intention that this Agreement be strictly limited to and for the purposes expressed herein.

2. The easement granted hereby is appurtenant to and for the benefit of the Bentsen Parcel. Said easement and the covenants contained herein are perpetual and shall run with the land and be binding upon the owners of the land, and their heirs, successors and assigns.

3. Pursuant to ORS 105.175, the Sharps and Bentsen, along with their respective heirs, successors and assigns, do hereby agree to maintain said easement in proportion to their respective use made of the easement. The owner of the Bentsen parcel shall be responsible for thirty-three percent (33%) of the costs of normal maintenance and repair. The owner of the Sharps Parcel shall be responsible for the arrangement and completion of all maintenance and repair work to the roadway in the Easement Area. The owner of the Bentsen Parcel shall have no right to perform or cause to be performed any maintenance work on the roadway within the Easement Area without the express written permission of the owner of the Sharps Parcel. The owner of the Bentsen Parcel shall pay within ten (10) days after written request from the owner of the Sharps Parcel such proportionate share of verified third-party costs of normal maintenance and repair to the Easement Area necessary or appropriate to maintain the Easement Area in the condition as existed on the date of this Agreement. Notwithstanding the foregoing, should the roadway or other easement improvements be damaged more than ordinary wear and tear, the party causing the damage, or whose agents, employees, or invitees caused the damage, shall bear the total cost of repair necessitated by such damage.

4. For vehicular access, under normal driving conditions, owners of the Sharps Parcel and the Bentsen Parcel shall not drive vehicles across the easement at speeds that exceed 10 miles per hour.

5. This Easement is appurtenant to the Bentsen Parcel. However, in the event of any partition or subdivision of the Bentsen Parcel into separate lawfully established units of land, as that term is defined in ORS 92.010(3)(a), this Easement shall remain appurtenant to only the largest remaining portion of the Bentsen Parcel. It is the intention of the parties that this provision shall not prohibit the owner of the Bentsen Parcel from dividing the Bentsen Parcel into multiple tax lots subject to separate assessment by the County in which the Bentsen Parcel is situated.

6. The owner of the Bentsen Parcel agrees to indemnify and defend the owner of the Sharps Parcel from any loss, claim or liability to the owner of the Sharps Parcel arising in any manner out of the owner of the Bentsen Parcel's use of the easement.

7. This easement is subject to all existing encumbrances of record.

8. In the event either party must file a lawsuit against the other to enforce the terms of this Easement Agreement, the prevailing party shall be entitled to recover from the losing party, in addition to statutory costs, the prevailing party's attorney fees at trial and on appeal.

9. This agreement, the rights and obligations of the parties, shall be binding upon and insure to the parties respective heirs, successors and assigns.

IN WITNESS WHEREOF, the foregoing was executed the day and year first above written.
