RIGHT OF WAY EASEMENT

For value received, **Gavin Rajnus, LLC**, an Oregon limited liability company ("Grantor"), hereby grants to **PacifiCorp**, an Oregon corporation ("Grantee"), a perpetual, non-exclusive easement for the construction, reconstruction, operation, maintenance, repair, replacement, enlargement, and removal of Grantee's electric power transmission, distribution and communication lines and all necessary or desirable accessories and appurtenances thereto, including without limitation: supporting towers, poles, props, guys and anchors, including guys and anchors outside of the Easement Area (as defined below); wires, fibers, cables and other conductors and conduits therefor; and pads, transformers, switches, vaults and cabinets (referred to collectively hereafter as ("Electric Facilities and Improvements")), on, over, across or under the surface of the following real property (the "Property") of Grantor in Klamath County, State of Oregon, more particularly described as follows on Exhibit "A" and as shown on Exhibit "B" the ("Easement Area") attached hereto and by this reference made a part hereof:

A portion of the Property: Assessor's Map No. 40S 11E Parcel No. 6001

1. Interconnection Agreement. On real property adjacent to the Easement Area, **Skysol, LLC**, a Utah limited liability company ("Customer") is developing an electric generation facility ("Customer Generation Facility"). Grantee and Customer have entered into a Standard Large Generator Interconnection Agreement, dated June 5, 2017, designated as Generation Interconnection Queue Number Q0721 (as amended from time to time, the "Interconnection Agreement").
2. Grantee's Use of Easement; Certain Prohibitions on Grantor's Use. The rights to the Easement Area granted herein are intended to enable Grantee to perform its obligations under the Interconnection Agreement and include the right of ingress and egress, for Grantee, its contractors, or agents, to the Easement Area from adjacent lands of Grantor through the access route depicted in Exhibit C, for all activities in connection with the purposes for which this easement has been granted; and together with the present and (without payment therefor) the future right to keep the Easement Area and adjacent lands clear of all brush, trees, timber, structures, buildings and other hazards which might endanger Grantee's facilities or impede Grantee's activities; provided, however, Grantee's clearance rights on the real property adjacent to the Easement Area shall apply only to hazards and obstructions likely, in Grantee's commercially reasonable judgment, to endanger Grantee's Electric Facilities and

122-

Improvements within the Easement Area and shall extend to no more than fifty (50) feet from the boundary line of the Easement Area.

At no time shall Grantor place, use or permit any equipment, material or vegetation of any kind that exceeds twelve (12) feet in height, light any fires, or place or store any flammable materials, on or within the boundaries of the Easement Area. Subject to the foregoing limitations, the surface of the Easement Area may be used for other purposes not inconsistent, as defined by the Grantee, with the purposes for which this easement has been granted.

3. Validation of Interest. Grantor represents and warrants to Grantee that Grantor is the true and lawful owner of the Property and has full right and power to grant and convey the rights contained herein, except as to that portion of the Property which is subject to that certain lease and easement granted to Skysol LLC, a Utah limited liability company, recorded on February 16, 2017, through instrument number 2017-001670, and as amended recorded January 15, 2019, through instrument number 2019-000431, in the assessor records in Klamath County, Oregon.
4. Permitting. Customer hereby warrants and represents that it has secured, or will secure, all necessary permits and approvals for the construction and operation of the Electric Facilities and Improvements, except to the extent otherwise agreed to in writing by Grantee, including without limitation as may be agreed upon in the Interconnection Agreement. In the event Customer fails to secure any such permitting or approvals, Customer is responsible for remedy at its sole cost and expense and will further indemnify, defend and hold Grantee harmless in connection with any such permitting defects.
5. Jury Trial Waiver. TO THE FULLEST EXTENT PERMITTED BY LAW, EACH OF THE PARTIES HERETO WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS EASEMENT. EACH PARTY FURTHER WAIVES ANY RIGHT TO CONSOLIDATE, OR TO REQUEST THE CONSOLIDATION OF, ANY ACTION IN WHICH A JURY TRIAL HAS BEEN WAIVED WITH ANY OTHER ACTION IN WHICH A JURY TRIAL CANNOT BE OR HAS NOT BEEN WAIVED.
6. Counterparts. This Easement may be executed in counterparts, each of which shall be deemed to be an original, but all of which when taken together shall constitute one and the same document.
7. Survival. The provisions set forth in paragraphs 4 through 7 hereof shall survive the termination or abandonment of this Easement.

The rights and obligations of the parties hereto shall be binding upon and shall benefit their respective heirs, successors and assigns and shall run with the land.
