BEFORE THE KLAMATH COUNTY BOARD OF COMMISSIONERS

IN THE MATTER OF FILE NUMBER CLUP/ZC 1-22

FINAL ORDER

WHEREAS, RC Group for John Johnson, applicant, requested approval of an amendment to the Comprehensive Plan designation from Residential to Industrial and change the zoning designation from Medium Density Residential (RM) to Light Industrial (IL) on 3.50 acre property; and

WHEREAS, the subject property is described as Tax Lot 05200 in Section 3AA in Township 39 South, Range 9 East Willamette Meridian; and

WHEREAS, the Klamath County Planning Department provided proper notice of a public hearing held on April 26, 2022 before the Klamath County Planning Commission and Board of County Commissioners; and

WHEREAS, the applicant submitted said request for the Comprehensive Plan amendment and associated zone change in due form for consideration; and

WHEREAS, based on testimony entered and consideration of the whole record, and accepting the information provided in the application submittals as findings of fact and Findings in the Staff Report, the Klamath County Planning Commission concluded the application was in conformance with State Law, Klamath County Land Development Code and Comprehensive Plan, and forwarded a recommendation of Approval for Planning File CLUP/ZC 1-22 to the Board of County Commissioners; and

WHEREAS, based on testimony entered and after consideration of the whole record; and with a recommendation for approval from the Klamath County Planning Commission, the Klamath County Board of Commissioners acting within their authority, accepted the Planning Commission's recommendation, and unanimously **APPROVED** the request of Planning File CLUP/ZC 1-22.

Finding of Facts

- 1) The Klamath County Planning Commissions finds the subject property is zoned Medium Density Residential (RM) which allows for residential uses and finds the proposed use office and mini storage is not allowed in the Medium Density Residential zone.

- 2) The Klamath County Planning Commissions finds the surrounding properties are zoned residential and developed with single family homes.
- 3) The Klamath County Planning Commissions finds the proposed zone, light industrial, is a up zone and allows uses that are incompatible to the surrounding residential properties.
- 4) The Klamath County Planning Commissions finds the east side of the property abuts the "A" Canal and maintenance of the canal become more difficult for the managing irrigation district if the subject property is developed with single family dwellings along the canal.
- 5) The Klamath County Planning Commissions finds Article 59.8 Limited Use Overlay allows the Planning Commission to recommend restriction on the zone change to permit only certain uses in the Light Industrial zone.
- 6) The Klamath County Planning Commissions finds that rezoning the property to light industrial and restricting the allowed uses to a) Parking Services, B) Mini-Storage, C) Administrative Services, and D) Accessory Buildings and Uses; and the frontage along Crest Street and along property boundary Kiger Stadium will be fences with a sight obscuring chain link fence or wood fence or landscaped in accordance with the City of Klamath Falls Community Development Code makes for a more logical and coherent land use pattern.
- 7) The Klamath County Planning Commission finds the proposed comprehensive plan change and zone change meets the criterial found in Article 47, Article 48, and Klamath Falls Urban Comprehensive Plan.

NOW, THEREFORE, THE KLAMATH COUNTY BOARD OF COMMISSIONERS
ORDER AS FOLLOWS:

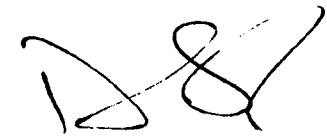

The Klamath County Planning Director shall draft for adoption by the Board of County Commissioners an ordinance amending the Klamath County Comprehensive Plan - General Land Use Plan Map and Zoning Map to reflect the proposed revision to the plan designation and zoning change as shown on attached Exhibit A.
