Notice hereby is given that the Beneficiary and Trustee, by reason of default, have elected and do hereby elect to foreclose the Trust Deed by advertisement and sale pursuant to ORS 86.705 to 86.815, and to cause to be sold at public auction to the highest bidder for cash the interest in the described property which grantor had, or had the power to convey, at the time of the execution by Grantor of the Trust Deed, together with any interest Grantor or Grantor's successor in interest acquired after the execution of the trust deed, to satisfy the obligations secured by the Trust Deed and the expenses of the sale, including the compensations of the Trustee as provided by law, and the reasonable fees of Trustee's attorneys.

Without limiting the Trustee's disclaimer of representations or warranties, Oregon law requires the Trustee to state in this notice that some residential property sold at a Trustee's sale may have been used in manufacturing methamphetamines, the chemical components of which are known to be toxic. Prospective purchasers of residential property should be aware of this potential danger before deciding to place a bid for this property at the Trustee's sale.

In construing this notice, the singular gender includes the plural, the word "Grantor" includes any successor in interest to the Grantor as well as any other person owing an obligation, the performance of which is secured by said Trust Deed, and the words "Trustee" and "Beneficiary" include their respective successors in interest, if any.
