the official plat thereof on file in the office of the County Clerk of Klamath County, Oregon. Together with that portion of the vacated avenue which insures by operation of law frontage and assessing the proportionate cost to the benefited Property.

The phrase "right to remonstrate against the formation of an LID" refers solely to a property owner's right under the City Charter Section 38 to be counted as part of an extraordinary majority of property owners that can, in certain circumstances, suspend proceedings on formation of an LID for six months. The waiver of this right does not limit or otherwise restrict the ability of a property owner bound by this covenant to appear at any of the required public hearings and testify regarding formation of the LID, whether the boundaries include all benefited property, the equity of the assessment formula, the scope and nature of the project or of the final assessment, or any other issue regarding the LID.

2. City agrees that a LID assessment levied against Owner's Property shall not exceed the benefit conferred upon the Property.
3. In the event that a suit or action is instituted to enforce the terms of this covenant, the prevailing party shall be entitled to recover reasonable attorney's fees and all other fees, costs and expenses incurred in connection with the suit or action, including any appeals, in addition to all other amounts allowed by law.
4. This Agreement shall run with the property and shall be binding upon and inure to Owner and Owner's successors in interest to the Property.
