This Trust Deed, the Note, and all other agreements or instruments executed at any time in connection therewith, as they may be amended or supplemented from time to time, shall be collectively referred to herein as the "Loan Documents."

TO PROTECT THE SECURITY OF THIS TRUST DEED, GRANTOR HEREBY COVENANTS AND AGREES AS FOLLOWS:

ARTICLE I
Particular Covenants and Warranties of Grantor

1.01 Obligations Secured. This Trust Deed secures the following, collectively referred to as the "Obligations":

(1) The payment of all indebtedness, including but not limited to principal and interest, and the performance of all covenants and obligations of Grantor, under the Note, whether such payment and performance is now due or becomes due in the future;

(2) The payment and performance of all covenants and obligations in this Trust Deed, in any additional loan documents, and in all other security agreements, notes, agreements, and undertakings now existing or hereafter executed by Grantor with or for the benefit of Beneficiary; and

(3) The payment and performance of any and all other indebtedness and obligations of Grantor to Beneficiary of any nature whatsoever, whether direct or indirect, primary or secondary, joint or several, liquidated or unliquidated, and whether or not reflected in a written agreement or instrument.

1.02 Payment of Indebtedness; Performance of Covenants. Grantor shall duly and punctually pay and perform all of the Obligations.

1.03 Property. Grantor warrants that it holds good and merchantable title to the Property and the Improvements, free and clear of all liens, encumbrances, reservations, restrictions, easements, and adverse claims except 1) Liens and encumbrances of record, if any. 2) Easements, restrictions, reservations, covenants, and conditions of record, or apparent on the ground. 3) Discrepancies, conflicts in boundary lines, shortage in area, encroachments, or any other fact, which a correct survey would disclose. Grantor covenants that it shall forever defend Beneficiary's and Trustee's rights under this Trust Deed against the adverse claims and demands of all persons.

1.04 Further Assurances; Filing; Refiling; Etc.

(1) Grantor shall execute, acknowledge, and deliver, from time to time, such further instruments as Beneficiary or Trustee may require to accomplish the purposes of this Trust Deed.

(2) Grantor, immediately upon the execution and delivery of this Trust Deed, and thereafter from time to time, shall cause this Trust Deed, or a memorandum thereof, any supplemental security agreement, mortgage, or deed of trust and each instrument of further assurance, to be recorded and rerecorded in such manner and in such places as may be required by law to perfect, and continue perfected, the lien and estate of this Trust Deed.

(3) Grantor shall pay all filing and recording fees, and all expenses incident to the execution, filing, recording, and acknowledgment of this Trust Deed, or a memorandum thereof; any security agreement, mortgage, or deed of trust supplemental hereto and any instrument of further assurance; and all federal, state, county, and municipal taxes, assessments and charges arising out of or in connection with the execution, delivery, filing, and recording of this Trust Deed, any supplemental security agreement, mortgage, or deed of trust and any instrument of further assurance.

1.05 Compliance with Laws. Grantor further represents, warrants, and covenants that:

(1) The Property, if and to the extent that it has been developed, and all Improvements, if any, have been constructed and maintained, in compliance with all applicable laws, statutes, ordinances, regulations, and codes of federal, state, and local governments (collectively "Laws"), and all covenants, conditions, easements, and restrictions affecting the Property (collectively "Covenants"); and

(2) Grantor and its operations upon the Property currently comply, and will hereafter comply in all material respects with all applicable Laws and Covenants; and

(3) That Grantor's representatives have and shall execute the Trust Deed and all of the Loan Documents with, all necessary and required corporate resolutions, authorizations and consents as required by law and any restrictions, bylaws, or limitations of Grantor.

1.06 Definitions; Environmental Covenants; Warranties and Compliance. Intentionally omitted.

1.07 Maintenance and Improvements. Grantor shall not permit all or any part of any Improvements to be removed, demolished, or materially altered without Beneficiary's prior written consent; provided, however, that Grantor may remove, demolish, or materially alter such Improvements as become obsolete in the usual conduct of Grantor's business, if the removal or material alteration does not materially detract from the operation of the Grantor's business relating to the development, marketing or selling of all or any portion of the Property or the Subdivision, or if all Improvements that are demolished or removed are promptly replaced with Improvements of like value and quality. Grantor shall maintain every portion of the Property and Improvements in good repair, working order, and condition, except for reasonable wear and tear, and shall at Beneficiary's election restore, replace, or rebuild all or any part of the Improvements now or hereafter damaged or destroyed by any casualty (whether or not insured against or insurable) or affected by any Condemnation (as defined in Section 2.01 below). Grantor shall not commit, permit, or suffer any waste, strip, or deterioration of the Trust Property. It is understood that Grantor is developing and improving the Property for residential construction purposes and nothing in this section shall prevent, preclude or restrict Grantor from pursuing such development and improvements under commercially acceptable practices.

1.08 Liens. Grantor shall pay when due all claims for labor, materials, or supplies that if unpaid might become a lien on all or any portion of the Trust Property. Grantor shall not create, or suffer, or permit to be created, any mortgage, deed of trust, lien, security interest, charge, or encumbrance upon the Trust Property prior to, on a parity with, or subordinate to the lien of this Trust Deed, without the prior written consent of Beneficiary.

1.09 Impositions

(1) Grantor shall pay or cause to be paid, when due and before any fine, penalty, interest, or cost attaches, all taxes, assessments, fees, levies, and all other governmental and nongovernmental charges of every nature now or hereafter assessed or levied against any part of the Trust Property (including, without limitation, levies or charges resulting from Covenants), or on the lien or estate of Beneficiary or Trustee (collectively, the "Impositions"); provided, however, that if by law any such Imposition may be paid in installments, whether or not interest shall accrue on the unpaid balance, Grantor may pay the same in installments, together with accrued interest on the unpaid balance, as the same become due, before any fine, penalty, or cost attaches.

(2) Grantor may, at its expense and after prior notice to Beneficiary, contest by appropriate legal, administrative, or other proceedings conducted in good faith and with due diligence, the amount, validity, or application, in whole or in part, of any Imposition or lien on the Trust Property or any claim of any laborer, materialman, supplier, or vendor or lien, and may withhold payment of the same pending completion of such proceedings if permitted by law, provided that (a) such proceedings shall suspend collection from the Trust Property; (b) no part of or interest in the Trust Property will be sold, forfeited, or lost if Grantor pays the amount or satisfies the condition being contested, and Grantor would have the opportunity to do so in the event of Grantor's failure to prevail in the contest; (c) neither Beneficiary nor Trustee shall, by virtue of such permitted contest, be exposed to any risk of liability for which Grantor has not furnished additional security as provided in clause (d) below; and (d) Grantor shall have furnished to Beneficiary cash, corporate surety bond, or other additional security in respect of the claim being contested or the loss or damage that may result from Grantor's failure to prevail in such contest in an amount

sufficient to discharge the Imposition and all interest, costs, attorney fees, and other charges that may accrue in connection with the Imposition. Grantor shall promptly satisfy any final judgment.

(3) Grantor shall furnish to Beneficiary promptly upon request satisfactory evidence of the payment of all Impositions. Beneficiary is hereby authorized to request and receive from the responsible governmental and nongovernmental personnel written statements with respect to the accrual and payment of all Impositions.

1.10 Books and Records; Inspection of the Property. Grantor shall keep complete and accurate records and books of account with respect to the Trust Property and its operation in accordance with commercially accepted accounting practices. Grantor shall permit Trustee, Beneficiary, and their authorized representatives to enter and inspect the Property and the Improvements, and to examine and make copies or extracts of the records and books of account of the Grantor with respect to the Property and the Improvements, all at such reasonable times as Beneficiary or Trustee may choose.

1.11 Limitations of Use. Grantor shall not initiate, join in, or consent to any rezoning of the Property or any change in any Covenant or other public or private restrictions limiting or defining the uses that may be made of all or any part of the Property and the Improvements without the prior written consent of Beneficiary.

1.12 Insurance. Grantor shall obtain and maintain in full force and effect during the term of this Trust Deed comprehensive general liability insurance, with limits, coverages, and risks insured acceptable to Beneficiary, and in no event less than \$1,000,000 combined single limit coverage. In addition, Grantor shall provide and continuously maintain insurance on all improvements now or hereafter erected on the Property against loss or damage by fire and other hazards, as the Beneficiary may from time to time require, in an amount not less than the maximum insurable amount, written by one or more companies acceptable to the Beneficiary. All insurance policies required under the terms of this Trust Deed shall name Beneficiary as an additional insured. Grantor shall forward to Beneficiary, upon request, certificates evidencing the coverages required under this Trust Deed.

1.13 Actions to Protect Trust Property; Reserves

(1) If Grantor shall fail to obtain the insurance required by Section 1.12, make any payment required by Section 1.09 (other than payments that Grantor is contesting in accordance with Section 1.09(2)), or perform or observe any of its other covenants or agreements under this Trust Deed, Beneficiary may, without obligation to do so, obtain or pay the same or take other action that it deems appropriate to remedy such failure. All sums, including reasonable attorney fees, so expended or expended to maintain the lien or estate of this Trust Deed or its priority, or to protect or enforce any of Beneficiary's rights, or to recover any indebtedness secured by this Trust Deed, shall be a lien on the Trust Property, shall be secured by this Trust Deed, and shall be paid by Grantor upon demand, together with interest at the rate provided in the Note. No payment or other action by Beneficiary under this section shall impair any other right or remedy available to Beneficiary or constitute a waiver of any default.

(2) If Grantor fails to promptly perform any of its obligations under Section 1.09 or 1.12 of this Trust Deed, Beneficiary may require Grantor thereafter to pay and maintain with Beneficiary reserves for payment of such obligations. In that event, Grantor shall pay to Beneficiary each month a sum estimated by Beneficiary to be sufficient to produce, at least 20 days before due, an amount equal to the Impositions and/or insurance premiums. If the sums so paid are insufficient to satisfy any Imposition or insurance premium when due, Grantor shall pay any deficiency to Beneficiary upon demand. The reserves may be commingled with Beneficiary's other funds, and Beneficiary shall not be required to pay interest to Grantor on such reserves. Beneficiary shall not hold the reserve in trust for Grantor, and Beneficiary shall not be the agent of Grantor for payment of the taxes and assessments required to be paid by Grantor.

1.14 Estoppel Certificates. Grantor, within five days of the request, shall furnish Trustee and Beneficiary a written statement, duly acknowledged, of the amount of the Obligations secured by this Trust Deed and whether any offsets or defenses exist against such Obligations. If Grantor shall fail to furnish such a statement within the time allowed, Beneficiary shall be authorized, as Grantor's attorney-in-fact, to execute and deliver such statement.

ARTICLE II Condemnation

2.01 Notice. Should any part of or interest in the Trust Property be taken or damaged by reason of any public improvement, eminent domain, condemnation proceeding, or in any similar manner (a "Condemnation"), or should Grantor receive any notice or other information regarding such action, Grantor shall give immediate notice of such action to Beneficiary.

2.02 Condemnation Proceeds. Beneficiary shall be entitled to all compensation, awards, and other payments or relief ("Condemnation Proceeds") up to the full amount of the Obligations, and shall be entitled, at its option, to commence, appear in, and prosecute any Condemnation proceeding in its own or Grantor's name and make any compromise or settlement in connection with such Condemnation. In the event the Trust Property is taken in its entirety by condemnation, all Obligations secured by this Trust Deed, at Beneficiary's election, shall become immediately due and collectible.

2.03 Application of Proceeds. Beneficiary may, at its sole option, apply the Condemnation Proceeds to the reduction of the Obligations in such order as Beneficiary may determine, or apply all or any portion of the Condemnation Proceeds to the cost of restoring and improving the remaining Trust Property. In the event that Beneficiary elects to apply the Condemnation Proceeds to restoration and improvement, the proceeds shall be held by Beneficiary and shall be released only upon such terms and conditions as Beneficiary shall require in its sole discretion, including but not limited to prior approval of plans and release of liens. No Condemnation Proceeds shall be released if Grantor is in default under this Trust Deed.

ARTICLE III Events of Default; Remedies

3.01 Events of Default. Each of the following shall constitute an event of default under this Trust Deed and under each of the other Loan Documents:

(1) Nonpayment. Failure of Grantor to pay any of the Obligations before they come due in accordance with the terms of the note.

(2) Breach of Other Covenants. Failure of Grantor to perform or abide by any other covenant included in the Obligations, including without limitation those covenants in the Note, in this Trust Deed, or in any other Loan Document.

(3) Misinformation. Falsity when made in any material respect of any representation, warranty, or information furnished by Grantor or its agents to Beneficiary in or in connection with any of the Obligations.

(4) Other Default. The occurrence of any other event of default under the Note or any of the other Obligations.

(5) Other Indebtedness, Secondary Financing. Grantor's default beyond the applicable grace periods in the payment of any other indebtedness owed by Grantor to any person, if such indebtedness is secured by all or any portion of the Trust Property.

(6) Bankruptcy. The occurrence of any of the following with respect to Grantor, or the then-owner of the Trust Property: (a) appointment of a receiver, liquidator, or trustee for any such party or any of its properties; (b) adjudication as a bankrupt or insolvent; (c) filing of any petition by or against any such party under any state or federal bankruptcy, reorganization, moratorium or insolvency law; (d) institution of any proceeding for dissolution or liquidation; (e) inability to pay debts when due; (f) any general assignment for the benefit of creditors; or (g) abandonment of the Trust Property.

(7) Transfer; Due-on-Sale; Due-on-Encumbrance. Any sale, gift, conveyance, contract for conveyance, transfer, assignment, encumbrance, pledge, or grant of a security interest in all or any part of the Property encumbered by this Trust Deed, or any interest therein, either voluntarily, involuntarily, or by the operation of law (a "Transfer"), without Beneficiary's prior written consent, shall constitute an event of default. The provisions of this subsection (7) shall apply to every Transfer, regardless of whether or not Beneficiary has consented or waived its rights in connection with any previous Transfer. Beneficiary may attach such reasonable conditions to its consent under this subsection (7) as Beneficiary may determine in its sole discretion.

In the event the Property encumbered by this Trust Deed, or any part thereof, or any interest therein is sold, conveyed, transferred, or disposed of by Grantor, Beneficiary shall have the right, at Beneficiary's option, to declare all sums secured hereby immediately due and payable. Should Beneficiary elect to consent to such sale or transfer without acceleration of the entire unpaid balance, such consent shall not be construed as a consent to any other sale or transfer or construed as a waiver of Beneficiary's option to accelerate.

If the sale proceeds for any Property subject of this Trust Deed, after payment of closing costs and prior encumbrances, are insufficient to pay the entire balance and accrued interest then owing on the Note secured hereby, Grantor agrees to pay Beneficiary the full amount of the remaining sale proceeds (after payment of closing costs and prior encumbrances) which shall be applied first to the reduction of interest, and the balance, if any, to reduction of principal.

3.02 Remedies in Case of Default. If an Event of Default shall occur, Beneficiary or Trustee may exercise any one or more of the following rights and remedies, in addition to any other remedies that may be available by law, in equity, or otherwise:

(1) Acceleration. Beneficiary may declare all or any portion of the Obligations immediately due and payable.

(2) Receiver. Beneficiary may have a receiver appointed for the Trust Property. Beneficiary shall be entitled to the appointment of a receiver as a matter of right whether or not the apparent value of the Trust Property exceeds the amount of the indebtedness secured by this Trust Deed. Employment by Trustee or Beneficiary shall not disqualify a person from serving as receiver. Grantor consents to the appointment of a receiver at Beneficiary's option and waives any and all defenses to such an appointment.

(3) Possession. Beneficiary may, either through a receiver or as lender-in-possession, enter and take possession of all or any part of the Trust Property and use, operate, manage, and control it as Beneficiary shall deem appropriate in its sole discretion. Upon request after an Event of Default, Grantor shall peacefully relinquish possession and control of the Trust Property to Beneficiary or any receiver appointed under this Trust Deed.

(4) Power of Sale. Beneficiary may direct Trustee, and Trustee shall be empowered, to foreclose the Property by advertisement and sale under applicable law.

(5) Foreclosure. Beneficiary may judicially foreclose this Trust Deed and obtain a judgment foreclosing Grantor's interest in all or any part of the Property and giving Beneficiary the right to collect any deficiency remaining due after disposition of the Trust Property.

(6) Abandonment. Beneficiary may abandon all or any portion of the Trust Property by written notice to Grantor.

3.03 Sale. In any sale under this Trust Deed or pursuant to any judgment, the Trust Property, to the extent permitted by law, may be sold as an entirety or in one or more parcels and in such order as Beneficiary may elect, without regard to the right of Grantor, any person claiming under Grantor, or any guarantor or surety to the marshalling of assets. The purchaser at any such sale shall take title to the Trust Property or the part thereof so sold, free and clear of the estate of Grantor, the purchaser being hereby discharged from all liability to see to the application of the purchase money. Any person, including Beneficiary, its officers, agents, and employees, may purchase at any such sale. Beneficiary and each of its officers are irrevocably appointed Grantor's attorney-in-fact, with power of substitution, to make all appropriate transfers and deliveries of the Trust Property or any portions thereof so sold, and, for that purpose, Beneficiary and its officers may execute all appropriate instruments of transfer. Nevertheless, Grantor shall ratify and confirm, or cause to be ratified and confirmed, any such sale or sales by executing and delivering, or by causing to be executed and delivered, to Beneficiary or to such purchaser or purchasers all such instruments as may be necessary, in the judgment of Beneficiary, for such purpose.

3.04 Cumulative Remedies. All remedies under this Trust Deed are cumulative and not exclusive. Any election to pursue one remedy shall not preclude the exercise of any other remedy. An election by Beneficiary to cure shall not constitute a waiver of the default or of any of the remedies provided in this Trust Deed. No delay or omission in exercising any right or remedy shall impair the full exercise of that or any other right or remedy or constitute a waiver of the default.

3.05 Receiver or Trustee-in-Possession. Upon taking possession of all or any part of the Trust Property, Trustee, Beneficiary, or a receiver may:

(1) **Management.** Use, operate, manage, control, and conduct business with the Trust Property and make expenditures for such purposes and for such maintenance and improvements as are deemed reasonably necessary.

(2) **Rents and Revenues.** Collect all rents, revenues, income, issues, and profits from the Trust Property and apply such sums to the reasonable expenses of use, operation, management, maintenance, and improvements.

(3) **Construction.** At its option, complete any construction in progress on the Property, and in that connection pay bills, borrow funds, employ contractors, and make any changes in plans and specifications as it deems appropriate.

(4) **Additional Indebtedness.** If the revenues produced by the Trust Property are insufficient to pay expenses, Beneficiary, Trustee, or the receiver may borrow or advance such sums upon such terms as it deems reasonably necessary for the purposes stated in this section. All advances shall bear interest, unless otherwise provided, at the rate set forth in the Note, and repayment of such sums shall be secured by this Trust Deed.

3.06 Application of Proceeds. All proceeds realized from the exercise of the rights and remedies under this Section 3 shall be applied as follows:

(1) **Costs and Expenses.** To pay all costs of exercising such rights and remedies, including the costs of maintaining and preserving the Trust Property, the costs and expenses of any receiver or lender-in-possession, the costs of any sale, and the costs and expenses provided for in Section 4.07 below.

(2) **Indebtedness.** To pay all Obligations, in such order as Beneficiary shall determine in its sole discretion.

(3) **Surplus.** The surplus, if any, remaining after satisfaction of all the Obligations shall be paid to the clerk of the court in the case of a judicial foreclosure proceeding, otherwise to the person or persons legally entitled to the surplus.

3.07 Deficiency. No sale or other disposition of all or any part of the Trust Property pursuant to this section 3 shall be deemed to relieve Grantor of any of the Obligations, except to the extent that the proceeds are applied to the payment of such Obligations. If the proceeds of a sale, a collection, or other

realization of or upon the Trust Property are insufficient to cover the costs and expenses of such realization and the payment in full of the Obligations, Grantor shall remain liable for any deficiency to the extent permitted by law.

ARTICLE IV General Provisions

4.01 Time is of the Essence. Time is of the essence with respect to all covenants and obligations of Grantor under this Trust Deed.

4.02 Reconveyance by Trustee. At any time upon the request of Beneficiary, payment of Trustee's fees, if any, and presentation of this Trust Deed, without affecting liability of any persons for the payment of the Obligations, Trustee may reconvey, without warranty, all or any part of the Trust Property. The grantee in any reconveyance may be described as the "person or persons legally entitled thereto," and the recitals therein of any facts shall be conclusive proof of the truthfulness thereof.

4.03 Notice. Except as otherwise provided in this Trust Deed, all notices pertaining to this Trust Deed shall be in writing and may be delivered by hand, or mailed by first class, registered, or certified mail, return-receipt requested, postage prepaid, and addressed to the appropriate party at its address set forth herein. Any party may change its address for such notices from time to time by notice to the other parties. Notices given by mail in accordance with this paragraph shall be deemed to have been given upon the date of mailing; notices given by hand shall be deemed to have been given when actually received.

4.04 Substitute Trustee. In the event of dissolution or resignation of Trustee, Beneficiary may substitute one or more trustees to execute the trust hereby created, and the new trustee(s) shall succeed to all the powers and duties of the prior trustee(s).

4.05 Trust Deed Binding on Successors and Assigns. This Trust Deed shall be binding upon and inure to the benefit of the successors and assigns of Grantor, Trustee, and Beneficiary. If the Trust Property or any portion thereof shall at any time be vested in any person other than Grantor, Beneficiary shall have the right to deal with such successor regarding this Trust Deed, the Trust Property, and the Obligations in such manner as Beneficiary deems appropriate in its sole discretion, without notice to or approval by Grantor and without impairing Grantor's liability for the Obligations.

4.06 Indemnity. Grantor shall hold Beneficiary and Trustee and their respective directors, officers, employees, agents, and attorneys, harmless from and indemnify them for any and all claims, demands, damages, liabilities, and expenses, including but not limited to attorney fees and court costs, arising out of or in connection with Trustee's or Beneficiary's interest under this Trust Deed, except Grantor shall not be liable for acts performed by Beneficiary or Trustee in violation of law.

4.07 Expenses and Attorney Fees. If Beneficiary refers any of the Obligations to an attorney for collection or seeks legal advice following a default; if Beneficiary is the prevailing party in any litigation instituted in connection with any of the Obligations; or if Beneficiary or any other person initiates any judicial or nonjudicial action, suit, or proceeding in connection with any of the Obligations or the Trust Property (including but not limited to proceedings under federal bankruptcy law, eminent domain, under probate proceedings, or in connection with any state or federal tax lien), and an attorney is employed by Beneficiary to (1) appear in any such action, suit, or proceeding, or (2) reclaim, seek relief from a judicial or statutory stay, sequester, protect, preserve, or enforce Beneficiary's interests, then in any such event Grantor shall pay reasonable attorney fees, costs, and expenses incurred by Beneficiary or its attorney in connection with the above-mentioned events or any appeals related to such events, including but not limited to costs incurred in searching records, the cost of title reports, and the cost of surveyors' reports. Such amounts shall be secured by this Trust Deed and, if not paid upon demand, shall bear interest at the rate specified in the Note.

4.08 Applicable Law. The Trust Deed and the validity, interpretation, performance, and enforcement of the Trust Deed shall be governed by the laws of the state of Oregon.

4.09 Severability. If any provision of this Trust Deed shall be held to be invalid, illegal, or unenforceable, such invalidity, illegality, or unenforceability shall not affect any other provisions of this Trust Deed, and such other provisions shall be construed as if the invalid, illegal, or unenforceable provision had never been contained in the Trust Deed.

4.10 Entire Agreement. This Trust Deed contains the entire agreement of the parties with respect to the Trust Property. No prior agreement, statement, or promise made by any party to this Trust Deed that is not contained herein shall be binding or valid.

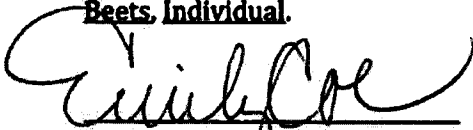

4.11 Preparation of Documents. This Trust Deed and the Loan Documents have been prepared by the law firm of Sorenson, Ransom & Ferguson, on behalf of Beneficiary. Grantor acknowledges that Grantor has been advised to consult with independent legal counsel prior to signing this Trust Deed.
