- b. On termination of this Easement, Grantee shall, within a reasonable period, remove its Electric Facilities and Improvements at Customer's sole cost and expense, and, upon payment in full of any outstanding amounts due from Customer to Grantee, Grantee shall execute an easement termination agreement or quit claim deed, in a recordable form reasonably satisfactory to Grantor or Grantor's successor(s) in interest, sufficient to remove this Easement as an encumbrance on the Property's title.
