To the extent permitted by any and all applicable federal, state and/or local laws, cases, statutes, regulations, orders, standards, rules and/or ordinances or the like (collectively, "Laws"), any sums hereafter advanced by or borrowed from Beneficiary, will have the same priority as the original sums advanced by Beneficiary and secured hereby. All sums are collectively referred to as the "Indebtedness".

Grantor's Covenants and Warranties. Grantor warrants that: (a) Grantor is the owner in fee simple absolute of the Property; (b) the Property is free, and will be kept free, from all liens and encumbrances, except those accepted by Beneficiary in writing, and Grantor will defend the title granted to and in favor of Trustee and Beneficiary against all and every person claiming or to claim the same; (c) the Loan (defined below) proceeds are not for use primarily for personal, family or household purposes; (d) to Grantor's knowledge after due inquiry into previous ownership and use of the Property, there are no Hazardous Substances (defined below) located

As used in this Deed of Trust, Hazardous Substances means: (i) any "hazardous waste" as defined in the Resource Conservation and Recovery Act of 1976 (42 U.S.C. § 6901 et seq.), as amended from time to time, and regulations promulgated thereunder; (ii) any "hazardous substance" as defined by the Comprehensive Environmental Response, Compensation and Liability Act of 1980 (42 U.S.C. § 9601 et seq.), as amended from time to time, and regulations promulgated thereunder; (iii) radon, asbestos, polychlorinated biphenyls (PCB's), explosives, radioactive substances, and material quantities of petroleum products; (iv) any substance the presence of which on the Property is regulated by any Law relating to the protection of the environment or public health; and (v) any other substance which by Law requires special handling in its collection, storage, treatment or disposal.

A. Grantor agrees as follows:

1. Payment of Indebtedness; Performance of Covenants. Grantor will pay each and every installment of principal and interest on the Note and Indebtedness, as and when the same becomes due, and perform and observe all of the covenants, agreements and provisions contained in all the Loan Documents.

2. Maintenance; Compliance; Inspection. Grantor will: (a) keep the Property in good condition and repair; (b) not permit or suffer any extraordinary repairs or removal or demolition of, or a structural change in any building, fixture, equipment, or other improvement on the Property; (c) comply with all Laws, covenants, conditions and restrictions affecting the Property or requiring any alteration or improvements to be made thereon (including the Fair Housing Act and the Americans With Disabilities Act, as each is amended from time to time); (d) not commit, suffer or

permit waste or any act upon the Property in violation of Law; (e) cultivate, irrigate, fertilize, prune and do all other acts reasonably necessary to maintain the character or use of the Property, the specific enumeration herein not excluding the general; and (f) keep the Property free from all encumbrances, except those accepted by Beneficiary in writing. Grantor will permit Beneficiary, or its agents, upon reasonable prior notice, to inspect the Property, including the interior of any structure.

3. Hazardous Waste and Substances; Environmental Requirements.

- (a)** Grantor will comply with all Laws, regarding occupational health and safety, hazardous waste and substances, and environmental matters. Grantor will promptly notify Beneficiary of its receipt of any notice of: (i) a violation of any Law; (ii) all claims made or threatened by any third party against Grantor or the Property relating to any loss or injury resulting from any Hazardous Substances; and/or (iii) Grantor's discovery of any occurrence or condition on any real property adjoining or in the vicinity of the Property that could cause the Property to be subject to any restrictions on the ownership, occupancy, transferability or use of the Property under any environmental Law. The use, generation, storage, release, threatened release, discharge, disposal or presence on, under or about the Property of Hazardous Substances by Grantor, Grantor's agents, or any tenant or sublessee occupying the Property, except in minor quantities as necessary for the operation and maintenance of the Property, used and stored in accordance with Law, or in the form of consumer products held for retail sale in sealed containers, all of which have and will be used, stored and disposed of in accordance with commercially reasonable practices and all Laws, will be an Event of Default (defined below), and Grantor will not engage in or permit such activities or events to occur upon the Property.
- (b)** Grantor will defend, indemnify and hold Beneficiary harmless from all loss, cost, damage, claim and expense (including all reasonable attorney fees, costs and/or expenses, whether incurred at trial, on appeal, discretionary review, bankruptcy or otherwise [collectively and as defined in the Note, "Attorney Fees"]) incurred by Beneficiary in connection with the falsity in any material respect of the covenants contained herein or of Grantor's failure to perform the obligations of this Paragraph.
- (c)** Grantor agrees that a receiver may be appointed to enable Beneficiary to enter upon and inspect the Property for the purpose of determining the existence, location, nature and magnitude of any past or present release or threatened release of any Hazardous Substance into, onto, beneath or from the Property. Any costs incurred by Beneficiary in obtaining the appointment of a receiver and performing the inspections, including Attorney Fees, will be paid by Grantor. If not paid within ten (10) days after such fees, costs and expenses become due and written demand for payment is made upon Grantor, such amount may, at Beneficiary's option, be added to the Principal Balance of the Note ("Principal Balance") and will bear interest at the Default Rate, as defined in the Note.

4. Casualty Loss/Restoration Construction. Unless Beneficiary determines, in its sole discretion, pursuant to the provisions in Paragraph B.1., to apply the insurance proceeds to the reduction of the Indebtedness, Grantor will promptly commence and diligently pursue to completion the repair, restoration and rebuilding of the Property that has been partially damaged or destroyed in full compliance with all legal requirements and to the same condition, character

and at least equal value and general utility as nearly as possible to that existing prior to such damage or destruction. Grantor further agrees to complete same in accordance with plans and specifications satisfactory to Beneficiary, to allow Beneficiary to inspect the Property at all times during construction, and to replace any work or materials unsatisfactory to Beneficiary within fifteen (15) days after notice from Beneficiary of such fact. If said work upon the construction or restoration of the building or buildings is discontinued for a period of fifteen (15) days, Beneficiary may, at its option, also enter into and upon the Property and complete the construction or restoration of said building or buildings. Grantor gives Beneficiary full authority and power to make such entry and to enter into such contracts or arrangements as may be necessary to complete or restore said building or buildings and all monies expended by Beneficiary in connection with such completion or restoration will be added to the Principal Balance and secured by these presents and will be payable by Grantor on demand with interest at the Default Rate.

Trustee, upon presentation to it of an affidavit signed by Beneficiary setting forth facts showing an Event of Default by Grantor under any provision of this Deed of Trust, is authorized to accept as true and conclusive as to all facts and statements therein, and to act thereon hereunder.

5. Insurance.

- (a) Property and Other Insurance. Grantor will obtain and maintain in full force and effect during the term of this Deed of Trust such insurance as Beneficiary may reasonably require from time to time by notice to Grantor, including, without limitation, insurance providing (i) protection against fire, extended coverage and other all risk perils, including flood (where required) and other coverage as deemed appropriate by Beneficiary from time to time, with endorsements for waiver of subrogation, replacement cost coverage, inflation adjustment, and vandalism and malicious mischief coverage, all in amounts not less than the full replacement cost of all improvements including the cost of debris removal, (ii) comprehensive general public liability coverage with a broad form coverage endorsement with limits of \$2,000,000 for aggregate liability and a single limit of \$1,000,000, and (iii) business interruption and/or rent loss insurance (equal to twelve (12) months annualized income).
- (b) Insurance Companies and Policies. All insurance will be written by a company or companies acceptable to Beneficiary with an A- or better rating by A.M. Best Company, Inc. The policies described in Paragraphs A.5.(a)(i) and (iii) above will contain (i) a standard Beneficiary clause naming Beneficiary as the first Beneficiary with loss proceeds under the policies payable to Beneficiary, and (ii) a waiver of subrogation endorsement as to Beneficiary. The policy described in Paragraph A.5.(a)(ii) above must name Beneficiary as an additional named insured, and the policy described in Paragraph A.5.(a)(iii) above must provide that all proceeds be payable to Beneficiary. Each policy described above will provide for a thirty (30) day notice of cancellation or modification, will be satisfactory to Beneficiary as to form and substance, and will contain endorsements that no act or negligence of Grantor or any occupant, and no occupancy or use of the Property for purposes more hazardous than permitted by the terms of the policy will affect the validity or enforceability of such insurance as against Beneficiary. Each policy must be in full force and effect as of the date of recording this Deed of Trust, must contain such additional provisions as Beneficiary deems necessary or desirable to protect its interest, and must be accompanied by proof of premiums paid for the current policy

year. All such insurance must be written in amounts sufficient to prevent Grantor from becoming a co-insurer under the applicable policies. Grantor will provide acceptable ACORD Form certificates evidencing insurance coverage to Beneficiary thirty (30) days prior to any policy expiration date or in the event any policy is modified or canceled.

- (c) Blanket Policy. If a blanket policy is issued, Grantor will furnish Beneficiary with a certified copy of said policy, together with a certificate indicating that Beneficiary is the insured under said policy in the proper designated amount.
- (d) Notice of Loss. In the event of loss, Grantor will immediately notify Beneficiary. Beneficiary may make proof of loss if it is not made promptly by Grantor.
- (e) Insurance Obtained by Third Party. If insurance is provided to Beneficiary by a tenant or any party other than Grantor, there is a lapse in coverage, coverage is not with a company acceptable to Beneficiary with an A Category or better rating, coverage is not in an amount equal to the full replacement value of the improvements, or coverage does not in any other way meet conditions required by Beneficiary, Grantor will provide coverage within thirty (30) days of being notified by Beneficiary of any inadequacy in coverage. If Beneficiary does not receive proof of such coverage within thirty (30) days, Beneficiary may force place insurance until proof of coverage which meets the conditions of the Loan is received. Premiums for this force place coverage are at rates higher than Grantor could obtain, and payment will be the responsibility of Grantor, provided that at Beneficiary's sole option, Beneficiary may add the cost of such premiums to the Principal Balance.

6. Defense. Grantor will appear in and defend any action or proceeding purporting to affect the Property or any Loan Document or the rights or powers of Beneficiary or of Trustee and will pay all costs and expenses, including cost of evidence of title and Attorney Fees.

7. Taxes and Assessments. Grantor will pay, at least ten (10) days before the due date, all taxes and assessments affecting the Property or upon this Deed of Trust or the debt secured thereby, or against Beneficiary by reason of the ownership of this Deed of Trust and the Note, or either of them, including assessments on appurtenant water stock. Grantor will also pay, when due, all encumbrances, charges and liens, with interest, on the Property, which appear to be prior or superior hereto and will deliver to Beneficiary upon request the official receipt(s) showing payment thereof and recorded releases therefor, and will pay all costs, fees and expenses of this Deed of Trust. The foregoing does not in any way constitute the consent of Beneficiary to Grantor placing, or allowing to be placed, any encumbrances, charges, or liens against the Property, whether superior or inferior to the liens, rights, and security interests created in this Deed of Trust.

8. Monthly Deposits. Unless this covenant is prohibited by Law or waived in writing by Beneficiary, Grantor will pay each year to Beneficiary, together with and in addition to the monthly payments of principal and interest payable under the terms of the Note, until the Note is fully paid, in equal monthly installments, the estimated amount of the annual property taxes, assessments, insurance premiums and similar charges next payable, as estimated by Beneficiary. If at any time Beneficiary determines that such payments will not be sufficient to account for each such charge on its due date (and in the case of annual property taxes, on the due date of the first installment thereof), Grantor will pay to Beneficiary, upon demand, additional

sums as necessary to account for such deficiency. Beneficiary may retain the sums received under this Paragraph and apply them to such charges when they (and in the case of annual property taxes, the first installment thereof) become due. Sums received will not earn interest and may be commingled with other funds of Beneficiary. If Beneficiary is required by Law to pay interest on these sums, Beneficiary may, to the extent permitted by Law, impose a charge for holding and disbursing such funds. In the Event of Default under any Loan Document, Beneficiary may apply the sums required under this Paragraph (without prepayment fee and without limiting the privilege, if any, to prepay any amounts secured hereby) first to accrued interest and then to the Principal Balance secured hereby. As an additional covenant hereof, and in any event if the foregoing provision for prepayment is at any time prohibited by Law, or waived in writing by Beneficiary, or Grantor fails to make payments in the full amount required under this Paragraph, Grantor will pay such charges when they (and in the case of annual property taxes, the first installment thereof) are due and, upon demand, provide Beneficiary with satisfactory evidence of payment and coverage.

9. Leases. Grantor will fully perform all the terms and conditions on Grantor's part to be performed in any existing or future lease with respect to which Grantor is lessor covering the Property. Grantor will not, without the prior consent of Beneficiary, terminate, cancel or accept the surrender of, or suffer or permit the termination, cancellation or surrender of such lease, except upon the expiration of the term thereof, or materially modify or alter, or suffer or permit the material modification or alteration of such lease. Grantor further covenants and agrees not to enter into any lease for a term in excess of three (3) years for fifteen percent (15%) or more of the net rentable area of the Property without the prior written consent of Beneficiary.

10. Fees for Information. Grantor will pay Beneficiary, to the extent permitted by Law, a reasonable fee, as determined by Beneficiary, for providing to Grantor or a third party a statement concerning the obligations secured by this Deed of Trust or any other information requested by Grantor or the third party.

11. Security Agreement.

(a) Grant of Security Interest. With respect to any of the Property which constitutes personal property or fixtures governed by the Uniform Commercial Code of the State of Oregon or where Grantor is organized ("Code"), this Deed of Trust constitutes a security agreement between Grantor as Debtor and Beneficiary as Secured Party, and Grantor hereby grants to Beneficiary a security interest in the Property. Cumulative of all other rights of Beneficiary hereunder, Beneficiary has all of the rights conferred upon secured parties by the Code. Grantor will execute and deliver to Beneficiary all financing statements that may from time to time be required by Beneficiary to establish and maintain the validity and priority of the security interest of Beneficiary, or any modification thereof, and will bear all costs and expenses of any searches reasonably required by Beneficiary.

(b) Rights of Beneficiary. Beneficiary may exercise any or all secured party remedies under the Code, and it is agreed that if, upon an Event of Default, Beneficiary proceeds to dispose of such property in accordance with the provisions of the Code, ten (10) days' written notice by Beneficiary to Grantor will be deemed to be reasonable notice under any provision of the Code requiring such notice; provided, however, that Beneficiary may, at its option, dispose of such property in accordance with Beneficiary's rights and remedies with respect to the real property

pursuant to the provisions of this Deed of Trust, in lieu of proceeding under the Code.

- (c) Change in Grantor's Name. Grantor will give advance notice in writing to Beneficiary of any proposed change in Grantor's name, identity, or corporate structure and will execute and deliver to Beneficiary, prior to or concurrently with the occurrence of any such change, all additional financing statements that Beneficiary may require to establish and maintain the validity and priority of Beneficiary's security interest with respect to any applicable Property.
- (d) Fixture Filing. With respect to those items of the Property that are or will become fixtures upon the Property, this Deed of Trust is effective as a financing statement filed as a fixture filing from the date of its filing for record in the real estate records of the county in which the Property is situated. Information concerning the security interest created by this instrument may be obtained from Beneficiary, as Secured Party, at the address of Beneficiary below. The mailing address of Grantor, as Debtor, is below.

12. Restrictive Uses. Grantor will not, without Beneficiary's prior written consent, change the general nature of the occupancy of the Property, initiate, acquire or permit any change in any public or private restrictions (including without limitation a zoning reclassification) limiting the uses which may be made of the Property, or take or permit any action which would impair the Property or Beneficiary's lien or security interest in the Property.

13. Changes In Use. If Grantor, Borrower or a related entity or person occupies or leases the Property, Grantor will make no change in the use or occupancy of the Property or otherwise limit the uses which may be made of the Property without Beneficiary's prior written consent.

B. It is mutually agreed that:

1. Application of Insurance or Condemnation Proceeds. All sums paid under any insurance policy or condemnation award will be paid to the Beneficiary, at its option. Beneficiary agrees to allow the use of sums paid for repair and reconstruction of the Property provided:

- (a) There exists no Event of Default or no other event which with the passing of time or the giving of notice or both would constitute an Event of Default under any Loan Document;
- (b) All proceeds and additional funds deposited by the Grantor with Beneficiary prior to the commencement of any repair or reconstruction are adequate, as determined by Beneficiary, to complete repair and reconstruction of the Property pursuant to plans and specifications approved by Beneficiary;
- (c) If, in Beneficiary's determination, the Loan to value ratio, upon completion of repair or restoration, will exceed seventy-five percent (75%), the Principal Balance will be reduced to an amount which reduces the Loan to value ratio, as calculated by Beneficiary, to no more than seventy-five percent (75%). In such a case, the remaining monthly payments of principal and interest may be adjusted to amortize the reduced Principal Balance over the remaining term of the Loan, at Beneficiary's

discretion. Any amount prepaid under this provision may be paid without a prepayment fee, provided however, any additional amount Grantor desires to prepay, if any, will be subject to applicable prepayment fees;

- (d) disbursement procedures acceptable to Beneficiary are in place;
- (e) Beneficiary must have received acceptable estoppels, consents and assurances from municipal authorities, tenants in the Property, and others, as Beneficiary may request; and
- (f) Beneficiary has received evidence satisfactory to it, that reconstruction and/or repair can be completed at least three (3) months prior to the date the Note secured by this Deed of Trust is due and payable.

If the above conditions are not satisfied as to the application of the proceeds or any awards, Beneficiary will apply the same (after first deducting therefrom Beneficiary's reasonable expenses incurred in collecting the same, including but not limited to Attorney Fees (whether incurred at trial, on appeal, discretionary review or otherwise) to the reduction of the Principal Balance without a prepayment fee or to payment of the restoration, repair, replacement or rebuilding of the property that is damaged, destroyed or taken in such manner as Beneficiary may determine.

If any proceeds are applied to the reduction of the Principal Balance, the remaining monthly payments of principal and interest will be reduced to amortize the reduced Principal Balance over the remaining amortization period of the Loan.

2. Non-Waiver. No waiver of any Event of Default will be considered a waiver of any other or subsequent Event of Default or breach, and no delay or omission in exercising or enforcing the rights and powers herein granted will be construed as a waiver of such rights and powers, and likewise no exercise or enforcement of any rights or powers hereunder will be held to exhaust such rights and powers, and every such right and power may be exercised from time to time.

3. Release. When all sums secured hereby have been paid, and upon surrender of this Deed of Trust and the note for cancellation and retention, Beneficiary will release the lien of this Deed of Trust.

4. Assignment of Rents. As more fully described in the Assignment of Lessor's Interest in Leases of even date ("Assignment of Leases"), Grantor immediately assigns to Beneficiary absolutely, not only as collateral, the Income of the Property and hereby gives to and confers upon Beneficiary the right, power and authority, during the continuance of this Deed of Trust, to collect the rents, income, issues and profits of the Property, reserving unto Grantor the right, prior to any Event of Default by Grantor in payment of any indebtedness secured hereby or in performance of any agreement hereunder, to collect and retain such rents, income, issues and profits as they become due and payable. Upon any such Event of Default, Beneficiary may, at any time, without notice, either in person, by agent, or by a receiver to be appointed by a court, and without regard to the adequacy of any security for the indebtedness hereby secured, the solvency of Grantor, or the presence of waste or danger of loss or destruction of the Property, enter upon and take possession of the Property, or any part thereof, and any personal property in which Beneficiary has a security interest as additional security for the indebtedness secured by this Deed of Trust, and may, in its own name, (i) sue for or otherwise collect such rents, income,

issues and profits, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection, including reasonable attorneys fees (whether incurred at trial, on appeal, discretionary review or otherwise), upon any indebtedness secured hereby, and in such order as Beneficiary may determine, and (ii) lease the Property. Grantor shall be deemed to have consented to the appointment of a receiver as a matter of Beneficiary's right, without bond and without regard to the adequacy of any security for the indebtedness hereby secured, the solvency of Grantor, or the presence of waste or danger of loss or destruction of the Property.

In the exercise of any of the foregoing rights and powers, Beneficiary shall not be liable to Grantor for any loss or damage thereby sustained unless due solely to the willful misconduct of Beneficiary. The entering upon and taking possession of the Property, the collection of such rents, income, issues and profits and the application thereof as aforesaid, shall not cure or waive any Event of Default or notice of an Event of Default hereunder or invalidate any act done pursuant to such notice. To the extent the provisions of this paragraph are inconsistent with the terms of a separate Assignment of Lessor's Interest in Leases, if any, the terms of the Assignment of Lessor's Interest in Leases shall control. Regardless of whether or not Beneficiary, in person or by agent, takes actual possession of the Property or any part thereof, Beneficiary is not and shall not be deemed to be: (a) a "mortgagee in possession" for any purpose; (b) responsible for performing any of the obligations of the lessor under any Lease; (c) responsible for any waste committed by lessees or any other parties, any dangerous or defective condition of the Property, or any negligence in the management, upkeep, repair or control of the Property; or (d) liable in any manner for the Property or the use, occupancy, enjoyment or operation of all or any part of it. In exercising its rights under this provision, Beneficiary shall be liable only for the proper application of and accounting for the Rents collected by Beneficiary or its agents."

5. Beneficiary's Right to Cure and Defend. Should Grantor fail to make any payment or to do any act as provided in any Loan Documents, Beneficiary or Trustee, but without obligation so to do and without notice to or demand upon Grantor and without releasing Grantor from any obligation hereof, may make or do the same in such manner and to such extent as either may deem necessary to protect the security hereof, and Grantor authorizes Beneficiary or Trustee to enter upon the Property for such purpose. Beneficiary and/or Trustee may, before full payment of all sums secured by this Deed of Trust: appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; pay, purchase, contest or compromise any encumbrance, charge or lien which, in the judgment of either, appears to be prior or superior to the liens, rights and security interests created in this Deed of Trust; and, in exercising any power conferred by this Deed of Trust, pay necessary expenses, employ counsel and pay reasonable fees therefor (including fees on appeal). Grantor agrees to repay immediately and without demand all sums so expended by Beneficiary or Trustee with interest from date of expenditure at the Default Rate.

6. Default; Acceleration; Default Rate. Time is material and of the essence hereof with respect to the payment of any sums of any nature by and the performance of all duties or obligations of Grantor. The occurrence of an "Event of Default" as that term is defined in the Note constitutes an "Event of Default" under the Loan Documents including this Deed of Trust. Upon an Event of Default, Beneficiary may declare all sums secured hereby immediately due and payable, without notice except as described in Paragraph B.19. Any sum not paid as provided herein or in the Loan Documents will bear interest from such due date at the Default Rate. If an Event of Default occurs during a period of time in which prepayment is permitted only on payment of a prepayment fee, such fee will be computed as if the sum declared due on an Event of Default were a prepayment and will be added to the Indebtedness.

7. Foreclosure; Power of Sale. Beneficiary may foreclose this Deed of Trust like a mortgage and obtain a decree foreclosing Grantor's interest in all or any part of the Property. Beneficiary may also direct Trustee, and Trustee will be empowered, to foreclose the Property by advertisement and exercise of sale under applicable law.

8. Proceeds of Sale. If Trustee forecloses, Attorney Fees including for services in the supervision of foreclosure proceedings will be allowed by Trustee as part of the costs of foreclosure. After deducting all costs, fees and expenses of Trustee and of this Deed of Trust, including cost of evidence of title in connection with sale, Trustee will apply the proceeds of sale to payment of all sums expended under the terms hereof, not then repaid, with accrued interest at the Default Rate; all other sums then secured hereby; and the remainder, if any, to the person or persons legally entitled thereto.

9. Expenses and Attorney Fees. As more fully described and defined in the Note, Grantor agrees to promptly pay to Beneficiary all Attorney Fees.

10. Waiver of Defenses; Interpretation. The right to plead any Statute of Limitations in any suit brought upon any Loan Documents or the Indebtedness or to foreclose or enforce this Deed of Trust or arising by reason of any Event of Default, is waived to the full extent permissible by Law. The term Beneficiary will mean the owner and holder, including pledgees, of the Note, whether named as Beneficiary herein. In this Deed of Trust, whenever the context so requires, the masculine gender includes the feminine and/or neuter, and the singular number includes the plural.

11. Due on Sale or Encumbrance.

(a) Generally. The Loan is personal to Grantor and not assignable. In making it, Beneficiary has relied on Grantor's credit, Grantor's interest in the Property, and the financial market conditions at the time the Loan is made. Except as described in Subparagraphs B.11.(c) and (d) below, in the event of a sale, conveyance, transfer or encumbrance, directly or indirectly, either voluntarily, involuntarily or by operation of Law, of the title to or possession of the Property (a "Transfer"), Beneficiary may declare the entire Principal Balance immediately due and payable. In such event, and to the extent permitted by Law, a prepayment fee calculated in accordance with the prepayment provisions of the Note will be added to the sum due and payable. Alternatively, the provisions in the Loan Documents may be modified, at Beneficiary's sole option, to conform to provisions being offered by Beneficiary in similar loans at the time Beneficiary's waiver is sought, or in the event Beneficiary is not offering similar loans at such time, on such reasonable terms as Beneficiary may determine.

(b) Transfer Examples. For the purpose of, and without limiting the generality of the foregoing, the occurrence at any time of any of the following events, will constitute a Transfer:

(i) Any sale, conveyance, assignment or other transfer (including by contract or sale or otherwise) of, or the grant of a security interest in, all or any part of the legal and/or equitable title to the Real Property;

(ii) Any sale, conveyance, assignment or other transfer of, or the grant of a security interest in, any share of stock of Grantor if Grantor is a corporation;

- (iii) Any sale, conveyance, assignment or other transfer of, or the grant of a security interest in, any general partnership interest in Grantor if Grantor is a partnership; or
- (iv) Any sale, conveyance, assignment or other transfer of, or the grant of a security interest in, any member's interest in Grantor if Grantor is a limited liability company.

Transfers between or among existing shareholders, partners, or members of Grantor will not constitute Transfers so long as the Loan is not in an Event of Default at the time of such transfers and Beneficiary receives prompt written notice of such transfers.

- (c) Permitted Borrower Release and Third-Party Transfer. If Grantor makes a written request to Beneficiary ("Transfer Request") for a third-party transfer, Beneficiary will waive its acceleration and prepayment call rights under Paragraph B.11.(a), and release Borrower from liability for the Loan, if the Loan is not then in an Event of Default and all of the following conditions are met:

- (i) The following items, all of which must be satisfactory to Beneficiary in its sole and absolute discretion, will be submitted to Beneficiary with the Transfer Request:
 - (A) The identity and organizational documents for the purchaser of the Property;
 - (B) The financial statements, financial strength, tax returns and credit history of the purchaser;
 - (C) The current rent roll for the Property;
 - (D) The operating statements for the Property:
 - (i) A current year-to-date; and
 - (ii) The two most recent years/historical;
 - (E) The current leases for the Property;
 - (F) A current environmental inspection report for the Property;
 - (G) The sale agreement and related documents; and
 - (H) A detailed description of the source of the purchaser's equity in the Property.
- (ii) The purchaser evidences a history of property management satisfactory to Beneficiary or contracts for management of the Property with a property management firm satisfactory to Beneficiary.

- (iii) If the amount then due on the Note exceeds seventy percent (70%) of the sale price of the Property, Grantor must pay down the Principal Balance due on the Note to an amount which does not exceed seventy percent (70%) of the sales price and the remaining monthly payments of principal and interest may be adjusted to amortize the reduced Principal Balance over the remaining term of the Loan, at Beneficiary's discretion. Any amount prepaid under this provision may be paid without a prepayment fee, provided however, any additional amount Grantor or the purchaser desires to prepay, if any, will be subject to applicable prepayment fees.
- (iv) The purchaser and Borrower promptly sign and deliver to Beneficiary, Beneficiary's assumption and release documents.
- (v) Grantor furnishes to Beneficiary, at Grantor's expense, an endorsement to Beneficiary's title insurance policy insuring the continued validity, enforceability, and priority of the Deed of Trust following the assumption and release. The form and content of the endorsement must be satisfactory to Beneficiary. If required by the Beneficiary or the title insurer, the Grantor will furnish estoppels and subordination agreements from tenants of the Property and other necessary parties in form and substance acceptable to the Beneficiary and the title insurer.
- (vi) In the event the Loan was made with a requirement imposed upon the Grantor to complete any specified repairs of the Property, the Grantor will not be entitled to a consent by Beneficiary pursuant to the terms of this provision until such repairs have been completed to Beneficiary's satisfaction.
- (vii) The Beneficiary may, at its option, require tax reserves as referred to in Paragraph A.8 of this Deed of Trust, whether previously waived conditionally or otherwise as a condition to its consent.
- (viii) Beneficiary is paid a lump sum fee of one percent (1%) of the Principal Balance.
- (ix) The payment of a transfer fee to Beneficiary's designated servicing agent in an amount equal to one percent (1%) of the Principal Balance.
- (x) Without limiting the generality or effect of the foregoing, waiver by Beneficiary of its right to accelerate the Loan upon any transfer or contract to transfer, or to require satisfaction of the conditions set forth in this subparagraph, will not be deemed a waiver by Beneficiary of its right to accelerate the Loan upon any other transfer or contract to transfer or of its right upon such transfer or contract to transfer to require satisfaction of the conditions set forth above in this subparagraph.
- (d) Permitted Related-Party Transfer. If Grantor, any Borrower or any Guarantor, if applicable (including existing shareholders, members or partners) (each a "Loan Party") makes a Transfer Request for a related-party transfer, Beneficiary will waive its acceleration and prepayment call rights under Subparagraph (a), if the Loan is not then in an Event of Default and the following conditions are met:

- (i) Beneficiary is paid a lump sum fee of \$2,500.00 or \$5,000.00 for title transfer, plus payment of recording, title and/or Attorney Fees, if any;
- (ii) The Loan Party and the transferee promptly sign and deliver to Beneficiary, Beneficiary's assumption documents whereby the transferee assumes liability for payment and performance of the Loan Documents, all to the same extent of the Loan Party's liability, as applicable, which will remain primary and will not be released; and
- (iii) The transferee is:
 - (A) The spouse and/or issue of Grantor or Borrower, as applicable;
 - (B) The trustee(s) of a testamentary trust for the benefit of the spouse and/or issue of Grantor or Borrower, that succeeded to Grantor's or Borrower's interest upon Grantor's or Borrower's death, divorce or legal separation;
 - (C) The trustee(s) of an inter vivos trust established by Grantor or Borrower for estate planning purposes, provided that Grantor or Borrower, as applicable, is a trustee of such trust at the time of transfer; or
 - (D) A new entity established for estate planning purposes, composed of Grantor, Grantor's principals, and/or Grantor's spouse and/or issue or Borrower, Borrower's principals, and/or Borrower's spouse and/or issue, as applicable.

12. Deficiency. Except as limited in the Note, if applicable, Grantor consents to a personal deficiency judgment for any part of the Indebtedness which will not be paid by the sale of the Property, unless such judgment is prohibited by Law. Any Grantor who is a married person hereby agrees that recourse may be had against his or her other property, however owned, but without creating any lien or charge thereon, for any deficiency due after sale of the Property; except that this provision will not apply in the case of a Grantor who executes this Deed of Trust but not the Note secured hereby.

13. Waiver of Rights Regarding Property. To the extent permitted by Law, Grantor hereby releases and waives: (a) all rights to any homestead exemption in the Property; (b) all rights of dower and curtesy in the Property; and (c) all rights to possession of the Property during any period allowed by Law for redemption.

14. Waiver of Right to Marshal. Grantor, for Grantor and for all persons hereafter claiming through or under Grantor or who may at any time become holders of liens junior to the lien of this Deed of Trust, waives and releases all rights to direct the order in which any of the Property will be sold in the event of any sale or sales and to have the Property and/or any other property now or hereafter constituting security for any of the Indebtedness marshaled upon any foreclosure of this Deed of Trust or of any other security for any of the Indebtedness.

15. Severability. In the event any provision contained in this Deed of Trust will for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability will not affect any other provision of this Deed of Trust, but this Deed of Trust will be construed as if such invalid, illegal or unenforceable provision had never been contained herein.

16. Signature on Deed of Trust Only. Notwithstanding any other provision of this Deed of Trust, any person who executes this Deed of Trust, but not the Note secured hereby, will have no personal liability on the Note or for any deficiency judgment which may be obtained upon foreclosure of this Deed of Trust. Such persons jointly and severally waive presentment, demand, protest, notice of intent to accelerate the Note, notice of acceleration of the Note, and all notices and agree that Beneficiary, without notice to them or their consent, and upon such terms as Beneficiary may deem advisable, and without affecting in any way Beneficiary's rights hereunder as against the Property, may:

- (a) Extend, release, surrender, exchange, compromise, discharge or modify any right or obligation secured by or provided by this Deed of Trust or any other instrument securing the Note, or
- (b) Take any other action which Beneficiary may deem reasonably appropriate to protect its security interest in the Property.

17. Governing Law. The Law of the State of Oregon governs the validity, interpretation, construction and performance of this Deed of Trust.

18. Financial Statements. Within sixty (60) days of the close of each calendar year, Grantor will furnish Beneficiary, at Grantor's expense, all in a form satisfactory to Beneficiary and certified by Borrower or guarantors, as the case may be, with (a) an annual statement of operations of the Property, stating that such annual statement presents fairly the financial condition of the Property being reported upon and has been prepared in accordance with sound accounting principles consistently applied, (b) the financial statement for any tenants in whom Grantor and/or Borrower has a controlling interest, and (c) Borrower's financial statement, if Borrower is not an individual. The annual operating statement will include an annual rent schedule, and a schedule of gross receipts of each tenant who is obligated to pay additional rent based on a percentage of gross receipts.

19. Notice and Opportunity to Cure. Notwithstanding any other provision of this Deed of Trust, Beneficiary will not accelerate the sums secured because of a nonmonetary default (defined below) unless Grantor fails to cure the Event of Default within thirty (30) days of the earlier of the date on which Beneficiary mails or delivers written notice of the Event of Default to Grantor. For purposes of this Deed of Trust, the term "nonmonetary default" means a failure by Grantor or any other person or entity to perform any obligation contained in any Loan Documents, other than the obligation to make payments provided for in the Note or any other Loan Document. If a nonmonetary default is capable of being cured and the cure cannot reasonably be completed within the thirty (30) day cure period, the cure period will be extended up to sixty (60) days so long as Grantor has commenced action to cure within the thirty (30) day cure period, and in Beneficiary's opinion, Grantor is proceeding to cure the Event of Default with due diligence. No notice of an Event of Default and no opportunity to cure will be required if during any 12-month period Beneficiary has already sent a notice to Grantor concerning the Event of Default in the performance of the same obligation. None of the foregoing will be construed to obligate

Beneficiary to forebear in any other manner from exercising its remedies and Beneficiary may pursue any other rights or remedies which Beneficiary may have because of an Event of Default.

20. Successor Beneficiary and/or Trustee; Notices. All references to "Beneficiary", include any officers, directors, employees, agents, successors and/or assigns. Trustee accepts this trust when this Deed of Trust, duly executed and acknowledged, is made a public record as provided by Law. The undersigned Grantor requests that a copy of any notice of an Event of Default and of any notice of sale hereunder be mailed to Grantor.
