There is a default by grantor or other person owing an obligation, or by their successor-in-interest, the performance of which is secured by the Deed of Trust with respect to provisions therein which authorize sale in the event of default of such provision. The default for which foreclosure is made is due to the failure of the borrower to maintain the property as their principle residence.

By reason of the default, the beneficiary has declared all obligations secured by the Deed of Trust immediately due and payable, those sums being the following: **\$113,908.20**

Notice hereby is given that the beneficiary and trustee, by reason of default, have elected and do hereby elect to foreclose the Deed of Trust by advertisement and sale pursuant to ORS 86.705 to 86.795, and to cause to be sold at public auction to the highest bidder, for cash, the interest in the described property which grantor had, or had the power to convey, at the time grantor executed the Deed of Trust, together with any interest grantor or grantor's successor in interest acquired after the execution of the Deed of Trust, to satisfy the obligations secured by the Deed of Trust and the expenses of the sale, including the compensations of the trustee as provided by law, and the reasonable fees of trustee's attorneys.

The Sale will be held at the hour of **10:00 AM.**, standard time, as established by ORS 187.110, on **11/21/2024**, at the following place:

Notice is further given that any person named in ORS 86.778 has the right, at any time prior to five days before the date last set for the sale, to have the foreclosure proceeding dismissed and the Deed of Trust reinstated by payment to the beneficiary of the entire amount then due (other than such portion of the principal as would not then be due had no default occurred), and by curing any other default complained of herein that is capable of being cured by tendering the performance required under the obligation or Deed of Trust, and in addition to paying the sums or tendering the performance necessary to cure the default, by paying all costs and expenses actually incurred in enforcing the obligation and Deed of Trust, together with trustee's and attorneys' fees not exceeding the amounts provided by ORS 86.778.

Without limiting the trustee's disclaimer of representations or warranties, Oregon law requires the trustee to state in this notice that some residential property sold at a trustee's sale may have been used in manufacturing methamphetamines, the chemical components of which are known to be toxic. Prospective purchasers of residential property should be aware of this potential danger before deciding to place a bid for this property at the trustee's sale.
