DEFERRED IMPROVEMENT AGREEMENT

THIS DEFERRED IMPROVEMENT AGREEMENT ("Agreement") is made and entered into by and between Eric L. Spengler and Klamath County, Oregon (the "County"), (collectively, the "Parties"), with reference to the following facts:

RECITALS

- A. Eric L. Spengler is the owner of certain real property in Klamath County, Oregon, on the east side of Old Fort Road approximately 800 feet north of the intersection of Old Fort Road and Collman Dairy Road. The parcel is approximately +/- 8.69 acres in size and is described as follows: MTL R-3809-02200-02100-000. The existing parcel is currently vacant with an existing access road and Eric L. Spengler has proposed to divided the property into three parcels for future residential development.
- B. The parcel has +/- 308 feet of frontage along Old Fort Road. A map showing the location of the parcel is attached hereto as Exhibit "A" and incorporated herein by this reference.
- C. Old Fort Road has a function classification of Local Street per the Urban Area Transportation System Plan.
- D. In connection with the proposed future residential development (the "Project"), the County is requiring Eric L. Spengler to construct certain improvements along the +/- 308 feet of frontage where existing street improvements do not meet the geometric requirements required by the codes and standards of Klamath County as of the date of this agreement. The improvements include:
 - E. Pavement widening along the property frontage of existing Old Fort Road to meet the required width for a Local Street, which includes Curb, Gutter, Sidewalks, Asphalt, Aggregate Base, Storm Drain, etc. to complete $\frac{1}{2}$ street improvements outlined in County Land Development Code Section 71.050.
 - F. Since similar improvements do not currently exist and/or are not currently required for surrounding parcels, the County will defer the financial participation and/or construction of the improvements until the following respective triggering events occur:
 1. County constructs a capital improvement project to improve a minimum of 500 feet of similar roadway improvements to Old Fort Road that include the frontage of the front Parcel, either independently or in conjunction with development on other properties adjacent to the Project.
- G. At the time of a triggering event, Eric L. Spengler shall participate in the project by financial reimbursement to the County, unless otherwise approved by the County. The anticipated costs are approximately \$63,752 as estimated in Exhibit "B" of this agreements. This cost will be capped at \$65,027 with a 2% construction inflation from the final signed date of this agreement.

NOW, THEREFORE, in consideration of the foregoing recitals and the conditions and obligations set forth herein, the Parties agree as follows:

1. Incorporation of Recitals and Sufficiency of Consideration. The recitals set forth above are true and correct and are hereby incorporated by this reference. The parties hereby acknowledge the sufficiency of the consideration for this Agreement.
2. Deferral of Improvements on Burdened Property. Except as otherwise provided in this Agreement, the County agrees not to require Eric L. Spengler to construct improvements along the Old Fort Road frontages of the Project concurrently with construction of the Project as a condition to County's approval of the Project.
3. Future Duty to Construct Improvements on the Burdened Property. Eric L. Spengler covenants and agrees that it or any subsequent owner of the Project shall construct the improvements fronting Old Fort Road at such time as the triggering events occur as stated in (F) above, or upon such time as a majority of the parcels fronting Old Fort Road have improvement agreements. Such improvements shall meet the appropriate County Public Works Engineering Standards at the time of construction. Completion of the improvements shall be within six (6) months of the respective triggering condition.
4. Covenants Run with the Land. This Agreement, and all of the rights, duties, powers, covenants, conditions, restrictions and obligations contained in this Agreement, burden Parcel 1, 2 & 3 and are binding upon the Parties and their respective successors (by merger, consolidation or otherwise), and assigns, and all other persons acquiring Parcel 1, 2 & 3, or any portion thereof or interest therein, whether by operation of law or in any manner whatsoever.
5. Recordation. Effective Date of Agreement. This Agreement is effective and binding upon its execution by both Parties. The Parties agree that upon execution, the Agreement shall be recorded by the Klamath County Clerk in the records of Klamath County, Oregon.
6. Improvements. For the purposes of this agreement, Improvements means those improvements as set out. Construction plans illustrating the improvements will be developed by the County in the future.
7. Miscellaneous Provisions.

- 7.9. Waivers. No waiver by any party of any default under this Agreement shall be effective or binding on such party unless made in writing by such party and no such waiver shall be implied from any omission by a party to take action in respect to such default. No express written waiver of any default shall affect any other default or cover any other period of time other than any default and/or period of time specified in such express waiver. One or more written waivers of any default under any provision of this Agreement shall not be deemed to be a waiver of any subsequent default in the performance of the same provision or any other term or provision contained in this Agreement.
- 7.10. Attorney Fees. In the event litigation or arbitration is instituted to enforce or determine the Parties' rights or duties arising out of the terms of this Agreement, each party shall be responsible for its own attorney fees, costs and related expenses.
- 7.11. Sunset Provision. It is contemplated by both parties that the terms of this agreement, and the obligations to which each shall be bound, shall only be effective if the County commences construction of the proposed improvements within ten (10) years of the date of this agreement. Parties may mutually agree to extend this provision at any time.

IN WITNESS THEREOF, the parties hereby enter into this Agreement. Each person signing this Agreement represents and warrants to have authority to execute this agreement.
