COUNTY OF KLAMATH

EASEMENT AND ASSIGNMENT AGREEMENT

This Easement Agreement (this "**Agreement**") is made effective as of July 11, 2025 (the "**Effective Date**"), by and between Erin Hamilton, an individual, and Beth's Butte Properties ("**Grantor**") and TerraPact WirelessG, LLC, a Delaware limited liability company ("**Grantee**").

BACKGROUND

Grantor is the owner of the real property described in Exhibit A attached hereto and by this reference made a part hereof (the "**Premises**"). Grantor desires to grant to Grantee certain easement rights with respect to the Premises, as more particularly described below, and subject to the terms and conditions of this Agreement.

AGREEMENTS

For and in consideration of the covenants and agreements herein contained and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. **Grant of Easements.** Grantor, for itself and its heirs, personal representatives, successors and assigns, hereby grants, bargains, sells, transfers and conveys to Grantee, its successors and/or assigns: (i) a perpetual, exclusive easement (the "**Exclusive Easement**") in and to that portion of the Premises more particularly described on Exhibit B attached hereto and by this reference made a part hereof (the "**Exclusive Easement Area**"); and (ii) a perpetual, non-exclusive easement (the "**Access and Utility Easement**"; the Exclusive Easement and Access and Utility Easement, collectively, the "**Easements**") in and to that portion of the Premises more particularly described on Exhibit C attached hereto and by this reference made a part hereof (the "**Access and Utility Easement Area**"; the Access and Utility Easement Area and Exclusive Easement Area, collectively, the "**Easement Areas**"). The Easement Areas shall be used for the purposes set forth herein.
2. **Private Easement.** Nothing in this Agreement shall be deemed to be a dedication of any portion of the Easement Areas for public use. All rights, easements and interests herein created are private and do not constitute a grant for public use or benefit.
3. **Successors Bound.** This Agreement shall be binding on and inure to the benefit of the parties hereto and their respective heirs, personal representatives, lessees, successors and assigns. It is the intention of the parties hereto that all of the various rights, obligations, restrictions and easements created in this Agreement shall run with the affected

lands and shall inure to the benefit of and be binding upon all future owners and lessees of the affected lands and all persons claiming any interest under them.

4. Duration. The duration of this Agreement and the Easements granted herein (the "**Term**") shall be perpetual, unless Grantee provides written, recordable notice of Grantee's intent to terminate this Agreement and the Easements described herein, in which event this Agreement, the Easements, and all obligations of Grantee hereunder shall terminate upon Grantee's recordation of any such notice. For the avoidance of doubt, Grantee may, in its sole and absolute discretion, unilaterally terminate this Agreement, the Easements, and all of Grantee's obligations hereunder without the approval of or consent of Grantor as provided in the immediately preceding sentence.

5. Easement Consideration. Grantor hereby acknowledges the receipt, contemporaneously with the execution hereof, of all consideration due hereunder. Accordingly, no additional consideration shall be due during the Term.

6. Use of Easement Areas.

a. Exclusive Easement Area. The Exclusive Easement Area may be used by Grantee and any of its affiliates, customers, tenants, subtenants, lessees, licensees, successors, and/or assigns together with any of the employees, contractors, consultants, and/or agents of the foregoing (collectively, the "**Permitted Parties**") for the purposes of installing, constructing, maintaining, operating, modifying, repairing and/or replacing improvements, equipment, structures, fixtures, antennae and other personal property as Grantee may deem necessary or appropriate, which may be located on or in the Exclusive Easement Area from time to time, for the facilitation of communications and other related uses (collectively, the "**Permitted Uses**"). Any such property, including any equipment, structures, fixtures and other personal property currently on or in the Exclusive Easement Area, shall not be deemed to be part of the Premises, but instead shall remain the property of Grantee or the applicable Permitted Parties. Unless otherwise agreed to in writing, the Grantee and/or any applicable Permitted Parties may remove their equipment, structures, fixtures and other personal property from the Easement Areas at any time during the Term or within ninety (90) days after the termination of this Agreement. Grantee may make, without the consent or approval of Grantor, any improvements, alterations or modifications to the Exclusive Easement Area as are deemed appropriate by Grantee, in its sole and absolute discretion, so long as the same are consistent with the Permitted Uses. Grantee shall have the unrestricted and exclusive right, exercisable without the consent or approval of Grantor, to lease, sublease, license, or sublicense any portion of the Exclusive Easement Area, but no such lease, sublease or license shall relieve or release Grantee from its obligations under this Agreement. Grantor shall not have the right to use the Exclusive Easement Area for any reason and shall not disturb Grantee's nor any Permitted Parties' right to use the Exclusive Easement Area in any manner. Grantee may, at Grantee's sole and exclusive option, construct a fence around all or any part of the Exclusive Easement Area and shall have the right to prohibit anyone, including Grantor, from entry into such Exclusive Easement Area.

b. Access and Utility Easement Area. The Access and Utility Easement shall be used by Grantee and the Permitted Parties for pedestrian and vehicular (including trucks) ingress and egress to and from the Exclusive Easement Area at all times during the Term on a seven (7) days per week, twenty-four (24) hours per day basis. Grantee shall have the non-exclusive right to construct, reconstruct, add, install, improve, enlarge, operate, maintain and remove overhead and underground utilities, including, without limitation, electric, fiber (or a replacement technology), water, gas, sewer, telephone and data transmission lines (including wires, poles, guys, cables, conduits and appurtenant equipment) in, on, or under the Access and Utility Easement Area in order to connect the Exclusive Easement Area to utility lines located in a publicly dedicated right of way. Grantor shall not in any manner prevent, disturb, and/or limit access to the Access and Utility Easement Area or use of the Access and Utility Easement by Grantee or any of the Permitted Parties, and Grantor shall not utilize the Access and Utility Easement Area in any manner that interferes with Grantee's or any of the Permitted Parties' use of such area as expressly provided herein. Grantor agrees to maintain the existing access road in a manner sufficient to allow pedestrian and vehicular access to the Exclusive Easement Area at all times except that Grantee shall be responsible for repairing any damage caused by the use of the road by Grantee and/or the Permitted Parties, reasonable wear and tear excepted. In the event the Access and Utility Easement Area cannot, does not, or will not fully accommodate the access and utility needs of the Grantee during the Term, or if it is reasonably determined by Grantor or Grantee that any utilities that currently serve the Exclusive Easement Area as of the Effective Date are not encompassed within the description of the Access and Utility Easement Area as set forth herein, Grantor and Grantee agree to amend the description of the Access and Utility Easement Area provided herein to include the description of such areas and/or to relocate the Access and Utility Easement, for no additional consideration, and to create a revised legal description for the Access and Utility Easement Area that will reflect such relocation. The Access and Utility

Easement and the rights granted herein with respect to the same shall be assignable by Grantee to any public or private utility company to further effect this provision without the consent or approval of Grantor.

7. **Non-Compete.** During the Term, Grantor shall not sell, transfer, grant, convey, lease, and/or license by deed, easement, lease, license or other legal instrument, an interest in and to, or the right to use or occupy any portion of the Premises or Grantor's contiguous, adjacent, adjoining or surrounding property to any person or entity directly or indirectly engaged in the business of owning, acquiring, operating, managing, investing in or leasing wireless telecommunications infrastructure (any such person or entity, a "***Third Party Competitor***"), without the prior written consent of Grantee, which may be withheld, conditioned, and/or delayed in Grantee's sole, reasonable discretion.

8. **Assignment.** Grantee may assign this Agreement, in whole or in part, to any person or entity at any time without the prior written consent or approval of, or notice to, Grantor, including, but not limited to, an affiliate of Grantee. If any such assignee agrees to assume all of the obligations of Grantee under this Agreement, then Grantee will be relieved of all of its obligations, duties and liabilities hereunder.

9. **Covenants; Representations; Warranties.**

a. Grantor hereby represents and warrants to Grantee the following: (i) Grantor is the owner in fee simple of the Easement Areas, free and clear of all liens and encumbrances; (ii) Grantor has the full authority and power to enter into and perform its obligations under this Agreement, and, to the extent applicable, the person or persons executing this Agreement on behalf of Grantor have the authority to enter into and deliver this Agreement on behalf of Grantor; (iii) to the best of Grantor's knowledge, there is no condemnation proceeding pending or threatened against all or any portion of the Premises; (iv) no claim, litigation, proceeding, or investigation is pending or, to the best of Grantor's knowledge, threatened against Grantor or all or any portion of the Premises that could affect Grantee's use of the Easement Areas as contemplated herein; (v) Grantor has not filed any voluntary petition in bankruptcy or suffered the filing of an involuntary petition by its creditors or suffered the appointment of a receiver to take possession of substantially all of its assets; (vi) to the best of Grantor's knowledge, the Premises is in compliance with all applicable laws, ordinances and regulations, including those governing Hazardous Materials (as defined below); (vii) to the best of Grantor's knowledge, there is no proceeding pending or threatened to change the zoning status of the Premises; (viii) Grantor is not indebted to any party, including, without limitation, any local or state or the federal government for which a lien or claim of lien has been or could be asserted against all or any portion of the Premises; (ix) there are no leases, written or oral, affecting all or any portion of the Easement Areas, except for the Current Agreement (as defined below); (x) there are no leases, written or oral, affecting all or any portion of the Premises with any party that is a Third Party Competitor; (xi) the Easement Areas do not constitute or form a part of Grantor's homestead, or, in the event that the Easement Areas are located upon homestead property, then Grantor's spouse (if applicable) shall join in the execution of this Agreement; (xii) Grantor has paid all taxes, assessments, charges, fees, levies, impositions and other amounts relating to the Premises due and payable prior to the Effective Date; and (xiii) Grantee shall peaceably and quietly hold, exercise, and enjoy the Easements during the Term.

b. During the Term, Grantor shall pay when due all real property, personal property, and other taxes, fees and assessments attributable to the Premises, including the Easement Areas. During the term of the Current Agreement, Grantee shall use commercially reasonable efforts to enforce the tax obligations contained in Section 12 of the Current Agreement. To the extent the Current Agreement expires or is otherwise terminated prior to the expiration of the Term hereof, Grantee hereby agrees to reimburse Grantor for any personal property taxes in addition to any increase in real property taxes levied against the Premises that are directly attributable to Grantee's improvements on the Easements (but not, however, taxes or other assessments attributable to periods prior to the Effective Date), provided, however, that Grantor must furnish written documentation (the substance and form of which shall be reasonably satisfactory to Grantee) of such personal property taxes or real property tax increase to Grantee along with proof of payment of the same by Grantor. Anything to the contrary notwithstanding, Grantor shall not be entitled to reimbursement from Grantee for any costs associated with an increase in the value of Grantor's real property calculated based on any monetary consideration paid from Grantee to Grantor. Additionally, Grantor is only eligible for reimbursement by Grantee for any applicable taxes if Grantor requests such reimbursement within one (1) year after the date such taxes became due. Grantor shall submit requests for reimbursement in writing to: *TerraPact WirelessG, LLC, Attn: Property Tax Reimbursements, 465 Waverley Oaks Road, Suite 310, Waltham, MA 02452* unless otherwise directed by Grantee from time to time. Subject to the requirements set forth in this Section, Grantee shall make such reimbursement payment within forty-five (45) days of receipt of a written reimbursement request from Grantor. Grantee shall pay

applicable personal property taxes directly to the local taxing authority to the extent such taxes are billed and sent directly by the taxing authority to Grantee. If Grantor fails to pay when due any taxes affecting the Premises as required herein, Grantee shall have the right, but not the obligation, to pay such taxes on Grantor's behalf and: (i) deduct the full amount of any such taxes paid by Grantee on Grantor's behalf from any future payments required to be made by Grantee to Grantor hereunder; (ii) demand reimbursement from Grantor, which reimbursement payment Grantor shall make within ten (10) days of such demand by Grantee; and/or (iii) collect from Grantor any such tax payments made by Grantee on Grantor's behalf by any lawful means.

c. Without Grantee's prior written consent, which consent may be withheld or conditioned in Grantee's sole and absolute discretion, Grantor shall not (i) cause any portion of the Easement Areas to be legally or otherwise subdivided from any master tract of which it is currently a part, or (ii) cause any portion of the Easement Areas to be separately assessed for tax purposes.

d. Grantor shall not suffer, grant, create, transfer, or convey (or cause to be suffered, granted, created, transferred, or conveyed) any claim, lien, encumbrance, easement, interest, restriction or other charge or exception to title to the Easement Areas or any other portion of the Premises that would adversely affect Grantee's use of the Easement Areas as contemplated herein.

e. Grantor shall not, and shall not permit any third party to use, generate, store, or dispose of any Hazardous Materials on, under, about, or within the Premises in violation of any Environmental Laws (as defined below). As used herein, "**Hazardous Materials**" shall mean any: contaminants, oils, asbestos, PCBs, hazardous substances, or wastes as defined by federal, state, or local environmental laws, regulations, or administrative orders or other materials the removal of which are required or the maintenance of which are prohibited or regulated by any federal, state, or local governmental authorities having jurisdiction over all or any portion of the Premises. As used herein, "**Environmental Laws**" shall mean any laws, regulations, ordinances, and/or administrative orders applicable to all or any portion of the Premises, which govern Hazardous Materials.

f. Grantee shall not, and shall not permit any third party to use, generate, store, or dispose of any Hazardous Materials on, under, about, or within the Easement Areas in violation of any Environmental Laws.

g. Each of the parties hereto hereby agrees to and does indemnify and shall defend and hold harmless the other party and its officers, directors, shareholders, agents, contractors, and attorneys for, from, and against all damages asserted against or incurred by any of them by reason of or resulting from a breach by the indemnifying party of any representation, warranty or covenant of such party contained herein.

h. The representations, warranties, covenants, agreements, and indemnities contained in this section shall survive the execution and delivery of this Agreement indefinitely.

10. **Non-Disturbance.** During the Term, Grantor will not improve or alter the Premises or grant, convey, transfer, or otherwise enter into any other easement, ground lease, lease, license, or similar agreement or contract with respect to any portion of the Premises if the same would interfere with, disturb, limit, or impair Grantee's permitted use of the Easement Areas. Grantor hereby acknowledges that Grantee and the Permitted Parties are currently utilizing the Exclusive Easement Area for the purpose of transmitting and receiving communication signals, including, but not limited to, wireless telecommunications signals. Grantor and Grantee recognize and acknowledge that Grantee's use of the Easement Areas set forth in this Agreement would be materially frustrated if the communications signals were blocked or otherwise interfered with, or if access and/or utilities to and from the Exclusive Easement Area were inhibited, even if temporarily. Grantor, for itself, its successors and assigns, hereby agrees to use its best efforts to prevent the occurrence of any of the foregoing and shall promptly undertake any remedial action necessary to comply with the terms and provisions of this Section. Grantee shall have the express right, among others, to seek an injunction to prevent any of the activities prohibited by this Section.

11. **Grantee's Securitization Rights; Estoppel.** Grantor hereby consents to the granting by Grantee of one or more leasehold mortgages, collateral assignments, liens, and/or other security interests (collectively, a "**Security Interest**") in Grantee's interest in this Agreement and all of Grantee's property and fixtures attached to and lying within the Exclusive Easement Area and further consents to the exercise by Grantee's mortgagee ("**Grantee's Mortgagee**") of its rights to exercise its remedies, including without limitation foreclosure, with respect to any such Security Interest. Grantor shall recognize the holder of any such Security Interest of which Grantor is given prior written notice (any such holder, a

"Holder") as "Grantee" hereunder in the event a Holder succeeds to the interest of Grantee hereunder by the exercise of such remedies. Grantor further agrees to execute a written estoppel certificate within thirty (30) days of written request of the same by Grantee or Holder.

12. Notices. All notices must be in writing and shall be valid upon receipt when delivered by hand, by nationally recognized courier service, or by First Class United States Mail, certified, return receipt requested to the addresses set forth below:

To Grantee: TerraPact WirelessG, LLC
465 Waverley Oaks Road, Suite 310
Waltham, MA 02452
Attn: Legal Department

To Grantor: Erin Hamilton
8603 Rockinghorse Lane
Klamath Falls, OR 97603

Grantor or Grantee, by thirty (30) days prior written notice to the other in the manner provided herein, may designate one or more different notice addresses from those set forth above. Refusal to accept delivery of any notice or the inability to deliver any notice because of a changed address for which no notice was given as required herein, shall be deemed to be receipt of any such notice.

13. Force Majeure. The time for performance by Grantor or Grantee of any term, provision, or covenant of this Agreement shall automatically be deemed extended by time lost due to delays resulting from strikes, civil riots, floods, labor or supply shortages, material or labor restrictions by governmental authority, litigation, injunctions, and any other cause not within the control of Grantor or Grantee, as the case may be.

14. Miscellaneous. This Agreement shall be recorded at the sole expense of Grantee and shall be governed by and construed in all respects in accordance with the laws of the State or Commonwealth in which the Premises is situated, without regard to the conflicts of laws provisions of such State or Commonwealth. The captions and headings herein are for convenience and shall not be held or deemed to define, limit, describe, explain, modify, amplify or add to the interpretation, construction or meaning of any provisions, scope or intent of this Agreement. This Agreement and any other documents executed in connection herewith, constitute the entire understanding between the parties with regard to the subject matter hereof and there are no representations, inducements, conditions, or other provisions other than those expressly set forth herein. Grantee has not provided any legal or tax advice to Grantor in connection with the execution of this Agreement. This Agreement may not be modified, amended, altered or changed in any respect except by written agreement that is signed by each of the parties hereto.

15. Cumulative Remedies. Except as otherwise expressly provided herein, each and every one of the rights, benefits and remedies provided to Grantor or Grantee in this Agreement, or in any instrument or documents executed pursuant to this Agreement, are cumulative and shall not be exclusive of any other of said rights, remedies and benefits allowed by law or equity to Grantor or Grantee.

16. Counterparts. This Agreement may be executed in several counterparts, each of which when so executed and delivered, shall be deemed an original and all of which, when taken together, shall constitute one and the same instrument, even though Grantor and Grantee are not signatories to the original or the same counterpart.

17. Severability. Should any part or provision of this Agreement be rendered or declared invalid by a court of competent jurisdiction, such invalidation of such part or provision shall not invalidate the remaining portions of the Agreement, and they shall remain in full force and effect and this Agreement shall be construed as if such part or provision had been so limited or as if such provision had not been included herein, as the case may be. Additionally, if any laws, rules or regulations promulgated by any state, county or local jurisdiction, including without limitation those concerning zoning, subdivision or land use, or should any court of competent jurisdiction, make the sale of the Easements herein either void or voidable, Grantor agrees that upon the written request of Grantee, the parties shall execute a reasonably acceptable ground lease between Grantor, as landlord, and Grantee, as tenant (with the Exclusive Easement area being the leased premises therein, and the Access and Utility Easement area remaining a non-exclusive easement for access and utility purposes) for uses consistent with those set forth herein. The parties agree that no additional consideration shall be paid to Grantor for entering into such a lease and said lease must (a) expressly provide that Grantee shall not be required to obtain the consent of Grantor to enter into any sublease or license of any portion

of the leased premises or to permit sublessees or licensees to utilize the non-exclusive easement for access and utilities, (b) be for a term of ninety-nine (99) years, or as long as permitted by applicable law.

18. Attorney's Fees. If there is any legal action or proceeding between Grantor and Grantee arising from or based on this Agreement, the non-prevailing party to such action or proceeding shall pay to the prevailing party all costs and expenses, including reasonable attorney's fees and disbursements, actually incurred by such prevailing party in connection with such proceeding and in any appeal in related thereto. If such prevailing party recovers a judgment in any such action, proceeding or appeal, such costs, expenses and attorney's fees and disbursements shall be included in and as a part of such judgment.

19. Government Approvals/Applications. Grantor hereby covenants and agrees that (a) neither Grantor nor any affiliate of Grantor shall at any time oppose in any manner (whether at a formal hearing, in written documentation, or otherwise) any zoning, land use or building permit application of Grantee and (b) Grantor shall promptly cooperate with Grantee in making application for and/or otherwise obtaining all licenses, permits, and any other necessary approvals that may be required for Grantee's intended use of the Easement Areas.

20. Assignment of Ground Lease. Grantor hereby assigns to Grantee, and Grantee hereby assumes from Grantor, all of Grantor's beneficial rights, title and interest in, to that certain agreement listed on **Exhibit "D"** attached hereto (the "**Current Agreement**"), including without limitation, the right to receive any and all rents and other monies payable to Grantor thereunder and including during any and all extensions thereof. Notwithstanding the foregoing assignment to Grantee, Grantor acknowledges that Grantor remains the fee owner of the Premises and Grantor remains obligated to comply with all obligations of the lessor or Grantor under the Current Agreement, as the same may be extended or renewed, which relate to the ownership, maintenance, non-interference, operation and use of the Premises including, without limitation, any tax payment or maintenance obligations and any obligation to sign building permits. Such obligations are hereby expressly excluded from the foregoing assignment. Grantor hereby represents that to the best of Grantor's knowledge the following: (i) the Current Agreement is in full force; (ii) Grantor has delivered to Grantee a true, correct, and complete copy of the Current Agreement (including all amendments, modifications, supplements, waivers, renewals and extensions thereof); (iii) Grantor has not delivered nor received a notice of a breach or default by either Grantor or the tenant/lessee under the Current Agreement or notice of any fact, condition or circumstance which would constitute a breach or default by either Grantor or tenant/lessee under the Current Agreement; (iv) except as specified in the Current Agreement, no rents have been prepaid by the tenant/lessee more than thirty (30) days in advance; and (v) the tenant/lessee, its agents and/or contractors have not notified Grantor of any intention or desire to terminate the Current Agreement or surrender or abandon the land demised thereunder. Grantor agrees to indemnify and hold Grantee harmless from and against all loss, cost, damage, and expense, including, without limitation, reasonable attorney fees, arising out of a breach of any representations contained in this Section and/or any act, omission, or default by Grantor under the Current Agreement that occurred prior to the Effective Date.

21. Further Acts; Attorney-In-Fact. Grantor, at Grantee's sole cost and expense, shall cooperate with Grantee in executing any documents necessary to protect Grantee's rights under this Agreement or Grantee's use of the Easements and to take such action as Grantee may be reasonably required to affect the intent of this Agreement. Grantor hereby irrevocably appoints Grantee as Grantor attorney-in-fact coupled with an interest to prepare, execute, deliver, and submit land-use, building permit and zoning applications related to Grantee's permitted use of the Easement Areas, on behalf of Grantor, to federal, state and local governmental authorities.

22. Survey. Grantee may elect, at Grantee's expense, to cause a boundary, as-built or similar survey of all or any portion of the Easement Areas (the "**Survey**") to be prepared by a surveyor duly licensed under the laws of the state in which the Premises is located. Grantor further agrees that Grantee may elect, in Grantee's sole and absolute discretion, to replace Exhibit B and Exhibit C with a revised Exhibit B and Exhibit C depicting and/or describing the Exclusive Easement Area and Access and Utility Easement Area, as applicable, in accordance with the Survey prepared at Grantee's election.

23. Waiver. NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED HEREIN, IN NO EVENT SHALL GRANTOR OR GRANTEE BE LIABLE TO THE OTHER FOR, AND GRANTOR AND GRANTEE HEREBY WAIVE, TO THE FULLEST EXTENT PERMITTED UNDER APPLICABLE LAW, THE RIGHT TO RECOVER INCIDENTAL, CONSEQUENTIAL (INCLUDING,

WITHOUT LIMITATION, LOST PROFITS, LOSS OF USE OR LOSS OR BUSINESS OPPORTUNITY), PUNITIVE, EXEMPLARY, AND SIMILAR DAMAGES.

24. Condemnation. In the event Grantor receives notification of any condemnation proceeding affecting the Easement Areas, or any portion thereof, Grantor shall provide notice of the proceeding to Grantee within forty-eight (48) hours. If a condemning authority takes all of the Easement Areas, or any portion thereof, Grantee shall be entitled to pursue Grantee's own award in the condemnation proceeds, which for Grantee will include, where applicable, the value of its communications facility, moving expenses, consideration paid to Grantor for the Easements, and business dislocation expenses.
