Assignee of written notice to thereafter pay all such rents and other amounts to Assignee and to comply with any notice or demand by Assignee for observance or performance of any of the covenants, terms, conditions and agreements contained in the Leases to be observed or performed by the tenants thereunder, and provided, further, that Assignor will facilitate in all reasonable ways Assignee's collection of such rents, issues, income and profits, and upon request will execute written notices to the tenants under the Leases to thereafter pay all such rents and other amounts to Assignee, provided that any action taken by Assignee under this paragraph shall not result in additional liability of Assignor to third parties;

Assignee shall not be obligated to observe, perform or discharge, nor does Assignee hereby undertake to observe, perform or discharge any covenant, term, condition or agreement contained in any Lease to be observed or performed by Assignor, or any obligation, duty or liability of Assignor under or by reason of this Assignment, and Assignor shall and does hereby agree to indemnify Assignee for, and to hold Assignee harmless of and from, any and all liability, loss or damage which Assignee may or might incur under any Lease or under or by reason of this Assignment and of and from any and all claims and demands whatsoever which may be asserted against Assignee by reason of any alleged obligation or undertaking on its part to observe or perform any of the covenants, terms, conditions and agreements contained in any Lease, except for Assignee's negligence. Should Assignee incur any such liability, loss or damage under any Lease or under or by reason of this Assignment, or in the defense of any such claim or demand, the amount thereof, including costs, expenses and attorneys' fees, shall become immediately due and payable by Assignor with interest thereon and shall be secured by this Assignment.
