RESTATED BYLAWS OF SIMPSON CANYON ROAD
MAINTENANCE ASSOCIATION, INC.

2.2 Status. The Association is formed and shall be operated to qualify as a "homeowners' association" under Section 528 of the Internal Revenue Code, or subsequent laws of similar effect, and pursuant to Chapter 94 of the Oregon Revised Statutes for a Planned Community.

ARTICLE III ASSOCIATION MEMBERS

3.1 Membership. The owners or contract purchasers ("Members") of each Lot in Tract 1310 Plum Valley II, according to the official plat thereof, are entitled to one membership in the Association. The rights, powers, and duties of Members are more fully described in these Restated Bylaws.

3.2 Joint Membership. In accordance with Oregon law, when a Lot is owned by two or more persons jointly, the vote of the Lot may be exercised by a co-owner in the absence of protest by another co-owner. If co-owners cannot agree upon the vote, the vote of the Lot shall be disregarded completely in determining the votes given with respect to such matter.

3.3 Voting. Each membership carries the power to vote in the Association. Each Lot is entitled to one vote per issue. Except as otherwise provided by bankruptcy, receivership, and other laws, only Members in whose names memberships entitled to vote stand on the records of the Association on the record date for voting purposes shall be entitled to vote at any meeting or by written ballot without a meeting.

3.4 Membership Approval. A requirement in the Articles of Incorporation, Bylaws, or Declaration for approval of the Members means the affirmative vote or written assent of a majority of the votes represented at a meeting, or cast in an election by written ballot, where a quorum is represented or responds, respectively, unless a different number or portion is specifically prescribed.

3.5 Proxies. Every Member entitled to vote or execute consents shall have the right to do so either in person or by an agent or agents authorized by a written proxy executed by such Member or his/her duly authorized agent and filed with the Secretary of the Association; provided that no such proxy shall be valid after the expiration of eleven (11) months from the date of its execution unless the person executing it specifies therein the length of time for which such proxy is to continue in force, which in no event shall exceed three (3) years from the date of its execution. Such proxy shall be valid as to the following matters only if the general nature of the matter is described in the proxy: removal of a director or filling a vacancy on the Board, approving transactions involving directors, amending proxy rights, amending the Articles, and selling substantially all Association assets, mergers, dissolution and distributions.

3.6 Quorum. The presence or participation in person, by written ballot, and/or by proxy of 35 percent of the membership of the Association (12 Lots), shall constitute a quorum for the transaction of business. The Members present at a duly called or held meeting at which a quorum is present shall be deemed to constitute a quorum until adjournment, notwithstanding the

withdrawal of enough Members to leave less than a quorum. Every act or decision done or made by a majority of Voting Power voting on an issue at a meeting duly held at which a quorum is present shall be deemed the act of the membership unless a greater number proportion is specifically required. If any meeting is adjourned for lack of a quorum, the quorum requirement at the adjourned meeting shall remain 12 memberships.

3.7 Meetings. All meetings will be conducted following Robert's Rules of Order.

(a) Place. Any meeting of the Members shall be held in Klamath County, Oregon at such particular place as is determined by the Board;

(b) Annual Meeting. The annual meeting of the Members for the election of directors and for the transaction of such other business as may properly come before the Members, shall be held each year at the time and on the day chosen by the Board;

(c) Special Meetings. Special meetings of the Members for any lawful purpose and at any time, shall be scheduled in response to a call by the President, by the Board, or upon receipt of a written request signed by the owners of ten Lots. Such meetings must be duly noticed and held not less than ten (10) days nor more than fifty (50) days after request therefore is received by the President or Secretary. If notice is not given by the Secretary within twenty (20) days of such receipt by the Association of a request for special meeting, then the person(s) requesting the meeting may give notice. The business conducted at a special meeting shall be confined to the purpose(s) for which the meeting was called, which shall be stated in the notice of the meeting;

(d) Notice. Written notice of each meeting of the Members shall be given to each Member who, on the date notice of the meeting is given, is entitled to vote there at, either by personal delivery, email, or by mail, addressed to such Member at the record address appearing on the books of the Association or given to the Association by the Member for notice purposes. All such notices shall be sent to each Member entitled thereto no less than ten (10) and not more than fifty (50) days before the subject meeting, and shall specify the place, the date, and the time of such meeting, shall also state the general nature of each item of business or proposal to be considered or acted upon at such meeting, and if directors are to be elected, shall include the names of all those in nomination at the time notice is given. In the event of an emergency, a reasonable attempt will be made to contact each Member by email or telephone;

(e) Consent of Absentees. Any defects in the call, notice, time or location of a meeting, shall not affect the validity of transactions at the meeting which are otherwise valid, if a quorum is present, either in person or by proxy, and if each Member entitled to vote, not present in person or by proxy, signs a written approval of the minutes. Such approvals shall be made a part of the minutes of the meeting. Nothing in this subsection shall be construed as requiring the consent of absentees to transactions approved at a properly called, noticed, and held meeting at which a quorum is present; and

(f) Adjourned Meetings. Any Members' meeting, annual or special, whether or not a quorum is present, may be adjourned from time to time by the vote of a majority of

the voting power present in person or by proxy. When (i) any Members' meeting is adjourned for not less than five (5) days and not more than thirty (30) days, (ii) announcement of the time and place of the adjourned meeting is made prior to adjournment, and (iii) there is no change in the record date, then no additional notice need be given. Otherwise, notice of the adjourned meeting shall be given as in the case of an original meeting.

With respect to insurance proceeds paid in connection with a loss of Association property only, the Board shall be deemed trustee of the interests of all Members in any insurance proceeds paid to it under any such policies, and shall have full power to receive and to receipt for their interest in such proceeds and to deal therewith as set forth in the Restrictions and Restated Bylaws. The limits and coverage should be reviewed at least every two (2) years.

ARTICLE IX GENERAL BYLAWS

9.1 Fiscal Year. The fiscal year of the Association shall begin January 1 and end December 31 of each year.

9.2 Commercial Use of Simpson Canyon Road. No member shall use Simpson Canyon Road for commercial use without the approval of the officers of the Association. Commercial use shall be defined as "removal of natural resources from a Member's property or other commercial activity which will cause the following: increase in traffic during the pursuit of said commercial use that causes damage to the roadway, safety is compromised, or tranquility of the area is affected". The board will consider commercial use after receiving a written plan from the Member outlining the following; expected traffic impact to Simpson Canyon Road, including number of vehicles during commercial operation, type of vehicle used, load capacity per vehicle, and duration of activity. Repairs to the right-of-way due to damage caused by the Member, or by others delivering to or removing materials from that Member's property, shall be immediately arranged by the Member at his or her personal expense. Repairs shall meet the standards in existence at the time of review by the Road Advisory Committee. If such repairs are not made to the satisfaction of the Road Advisory Committee in a timely manner, not to exceed 60 days, the Association may make or complete such repairs, and the Association shall bill such Member for any work done by the Association or its contractors. The cost of such repairs made by the Association may become an assessment and lien against such Member's property, which shall be collected in the manner provided by law for the collection of annual assessments. If there is no Road Advisory Committee, the Board of Directors shall serve as the Road Advisory Committee.

9.3 Liability of Agents. No director, officer, employee, agent, or representative (collectively "agent") of the Association shall be personally liable in any action or proceeding to any Member or the Association for any damage, loss, or prejudice suffered or claimed on account of any act, negligence, error, or omission of the Association, the Board or any agent of the Association or any committee, provided that such agent has acted in good faith and without willful or intentional misconduct upon the basis of such information as may be possessed by him/her or available to him/her upon reasonable inquiry.

9.4 Indemnification. If any action or proceeding is brought against any person because such person is or was an agent of the Association, then upon approval of (a) a majority of a quorum of directors who are not parties to such proceeding; (b) the Members, excluding those who are parties to such action; or (c) the court in which such action is or was pending; the Association shall indemnify such person against expenses, judgments, fines, settlements, and other amounts actually and reasonably incurred in connection with such proceeding or action, if such person acted in good faith and in a manner such person reasonably believed to be in the best interests of the Association and, in the case of a criminal proceeding, had no reasonable cause to believe the conduct of such person was unlawful. The termination of any proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent shall not, of itself, create a presumption that the person did not act in good faith and in a manner the person reasonably believed to be in the best interests of the Association, or that the person had reasonable cause to believe that the person's conduct was unlawful. If the Association is required to incur any cost or expense hereunder, the Association shall be entitled to levy a special assessment for the amount so expended.

9.5 Distributions. There shall be no distribution of gains, profits, or dividends to any Member except upon dissolution or upon the lawful redemption of a membership.

9.6 Dissolution. Upon dissolution and winding up of the Association, the Board shall, after payment or after making provision for the payment of all liabilities of the Association, distribute all of the remaining assets to the Members in equal shares, based upon one (1) equal share per Lot held.

9.7 Amendments. New Bylaws may be adopted, or these Restated Bylaws may be amended or repealed, only by the affirmative vote or written assent of a majority of the membership of the Association.
